DEMONSTRATION

Welcome to InfoCards

Making Education Accessible and Effortless

Mission

At InfoCards, our mission is to revolutionize education by providing seamless access to high-quality learning resources for everyone, regardless of their financial constraints.

AI-Powered Flashcards for Effortless Learning

InfoCards utilizes cutting-edge AI technology to generate flashcards directly from website content. With a simple click of a button and our Chrome extension, you can transform any webpage into a comprehensive set of interactive flashcards.

DOWNLOAD CHROME EXTENSION

Key Benefits

Say goodbye to the tedious process of manually creating flashcards. With InfoCards, you can effortlessly extract the most important information from any webpage, saving you time and effort. Our AI technology ensures that the flashcards are accurate and relevant, enabling efficient and effective learning.

Who Can Benefit

InfoCards caters to a diverse audience including students, teachers, and lifelong learners. Whether you're studying for exams, preparing lesson plans, or seeking to expand your knowledge, InfoCards is your go-to tool for streamlined learning.

Notable Partnerships

InfoCards proudly collaborates with industry leaders in technology and AI. We have received support and sponsorship from Google Cloud and PALM AI, ensuring that our platform remains at the forefront of educational innovation.

Enhancing Learning Outcomes

By simplifying the learning process, InfoCards empowers users to focus on comprehension and retention. The intuitive user experience, combined with personalized flashcard groups, enables efficient knowledge acquisition and improved learning outcomes.

Seamless User Experience

Using InfoCards is a breeze. With just one click, you'll be directed to our website where your meticulously generated flashcard groups await. Choose your preferred subjects and start learning instantly, with the flexibility to review and revise at your own pace.

Future Developments

InfoCards is committed to continuously enhancing the learning experience. We are actively working on incorporating additional educational methods, such as quizzes, to offer a comprehensive suite of learning tools that cater to various learning styles.

Empowering Education and Beyond

InfoCards believes in the power of education to transform lives. In addition to our commitment to accessible learning, we are dedicated to supporting social and environmental initiatives that contribute to a brighter future.

Ready to Ignite Your Learning Journey?

Join InfoCards today and experience the seamless power of AI-generated flashcards. Unlock the potential of effortless learning and gain access to a world of knowledge at your fingertips. Get started now and revolutionize the way you learn.

CONCLUSION

ACHIEVEMENTS

Chrome Extension

We were able to scrape majority of website with our extension

Flashcard Generation

Using PALM we were able to generate Flashcards accurately , comprehensivly

UI

We created a clean responsive UI that can display generated flashcards elegantly.

Secure Server

We created a server backend that ensure safety of our users data with hashing and salting

FUTURE DEVELOPMENTS

Multilingual Support

Expand InfoCards to support multiple languages.

Mobile App Integration

Develop a dedicated mobile app for on-the-go learning.

Collaborative Learning Features

Enable users to create and share flashcards for collaborative learning.

Gamified Learning Experience

Develop a dedicated mobile app for on-the-go learning.

THANK YOU

THANK YOU FOR LISTENING!

IGNITE YOUR LEARNING JOURNEY
