# Spodkast

Santiago Rincón  
Martinez

**ML & DevOps Engineer**

Alfredo L'huissier

**Software Engineer**

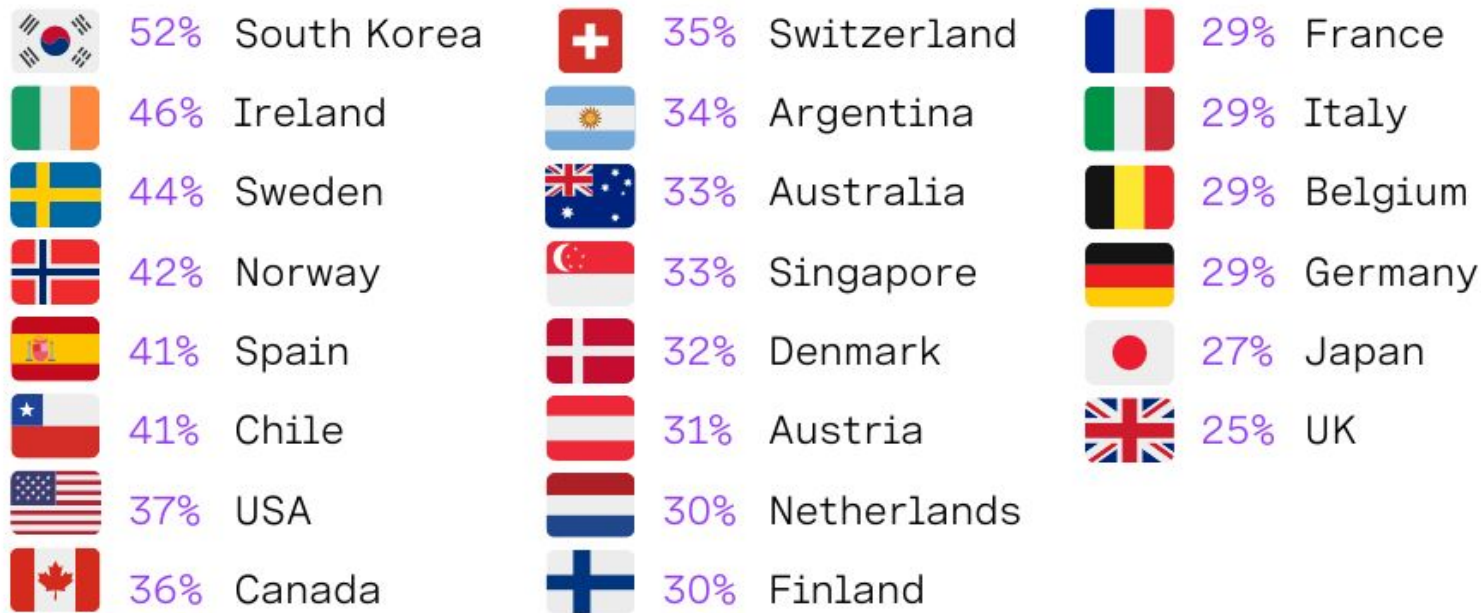

Generate customizable audio from your documents.

---

# The Problem

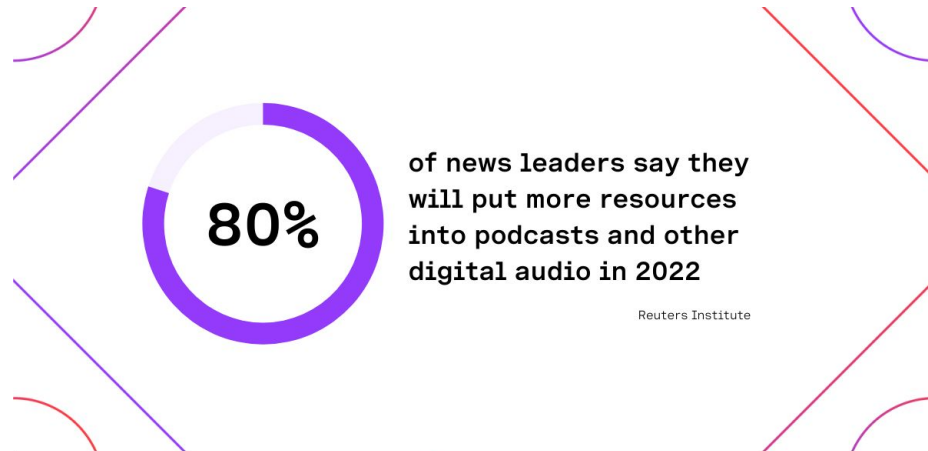

- Reading vs Listening for learning
- Multitask/Concentrate
- Reducing screen time
- Technical and Niche content
- Reading difficulties

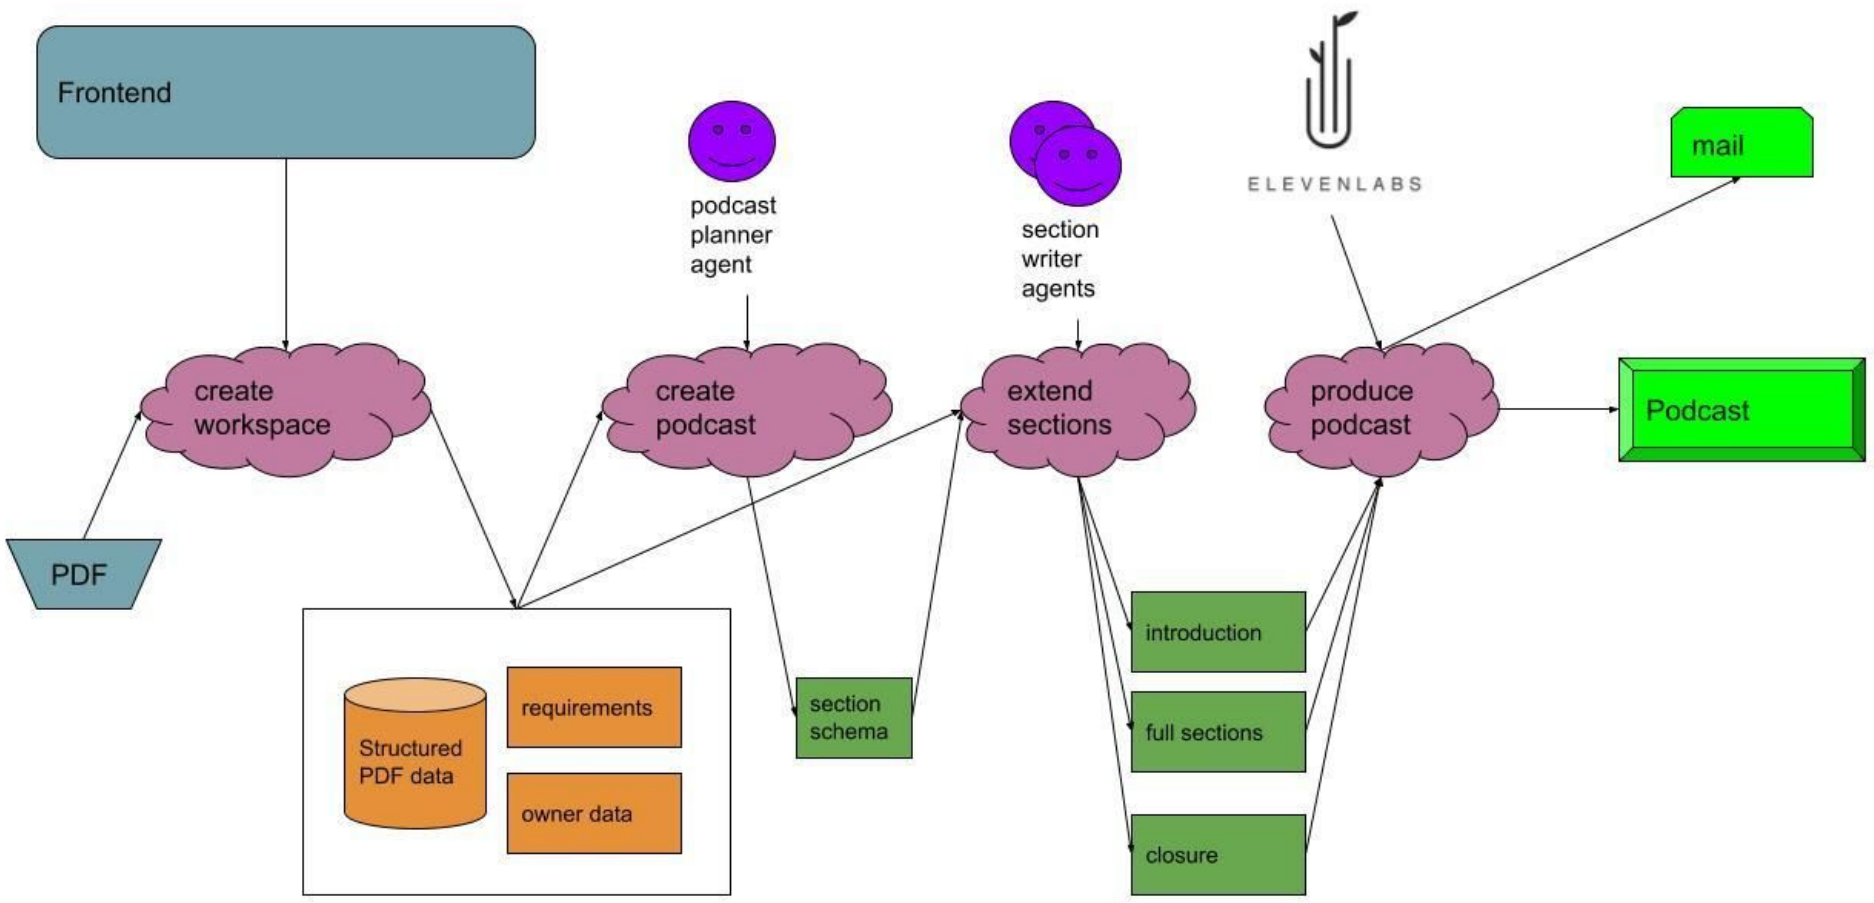

## 34% listened to a podcast in the past month

# The Solution

- Spodkast will revolutionize the way people consume written content, catering to a growing audience that values audio-based learning and information sharing
- Make learning more accessible, enjoyable and efficient

---

# What's coming:

- Podcast hosting and sharing
- Video
- Further customization
