

AUTOVID

Instant Short Creator

MEET THE TEAM!

Anton Varshavsky

- Highschool
- 16
- Florida

Experience:

- Scratch (5 yr)
- Python (3 yr)

Ethan Geppel

- Highschool
- 15
- New Jersey

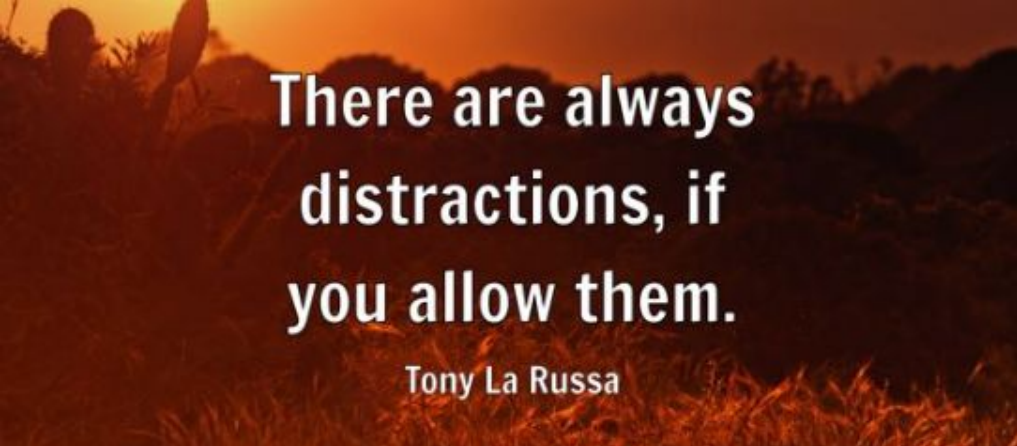

Experience:

- Python (1 yr)
- Prompt Engineer

THE PROBLEM

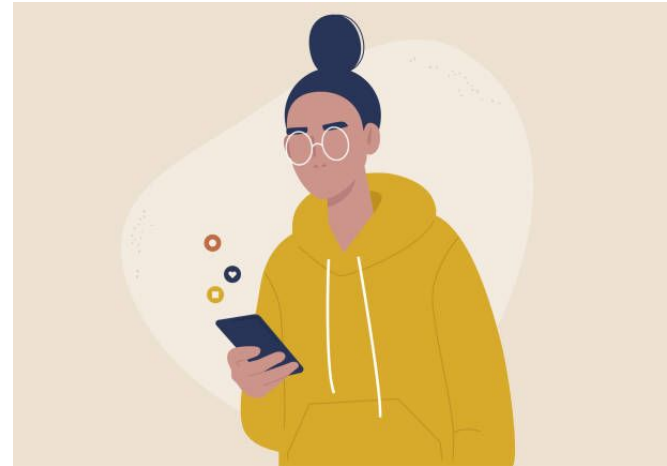

97% of teenagers are online daily (Jaenchen)

Spending an average of 90 minutes a day on short form content (Kohli)

A quote by Tony La Russa is displayed over a background image of a sunset over a field. The text is in white, bold, sans-serif font. The background shows a silhouette of a person in a field with a sunset sky in shades of orange and red.

**There are always
distractions, if
you allow them.**

Tony La Russa

OUR INNOVATIVE SOLUTION - AUTOVID

- Instead, we encourage Social Media usage
- Create educational content in minutes
- Any Interest, Niche, Audience

MARKET

- Initial Audience: Students
- Branch out into a much larger group of users due to profits on their end
- Anyone can create
- Youtube/TikTok  

NEXT STEPS

- Create a Main Accessible Website
- Improve Content Generation
- Add Clipping Mode
- Add Unique Content Mode

Clipping Mode

Unique Content
