# THE PROBLEM

- Buying educational toys is time consuming
- Buying educational toys is expensive
- When you find educational toys they won't have 100% of the content you want

# OUR INNOVATIVE SOLUTION - HOOTMOO

- Child Friendly Images (sdxl, replicate)
- Matching audio (To be improved, audiogen, replicate)
- 100% Parent Curated Content
- Full Freedom Of Content Choice

# MARKET

Parents that want control over their child's education

Children/Toddlers (Ages 5 months+)

# REVENUE STREAM

- Non-profit (except to cover expense)
- Advertisement
- Sponsorships
- Donors

# NEXT STEPS

- Improve Audio Accuracy
- Add more education options (hard concepts simplified)
- Improve Website Interface
- Improve Backend Clarity
