- New Jersey

Experience:

- Python (1 yr)
- Prompt Engineer

THE PROBLEM

School takes a lot of time, and summarizing efficiently is hard

A quote by Tony La Russa is displayed over a background image of a sunset over a field. The text is in white, bold, sans-serif font. The background shows a person's silhouette in the foreground, looking out over a field of tall grass under a warm, orange and yellow sky.

**There are always
distractions, if
you allow them.**

Tony La Russa

OUR INNOVATIVE SOLUTION - SUMMERIZE

- Instead, we instantly summarize most articles in a matter of minutes

MARKET

- Audience: Students, Teachers, Professors
- Branch out into a much larger group of users due to the ease of using the product
- Anyone can use
- Most articles

NEXT STEPS

- Better Summaries
- Similarity Search Incorporation
- Auto-Slideshow
