

Ask USCIS field manual

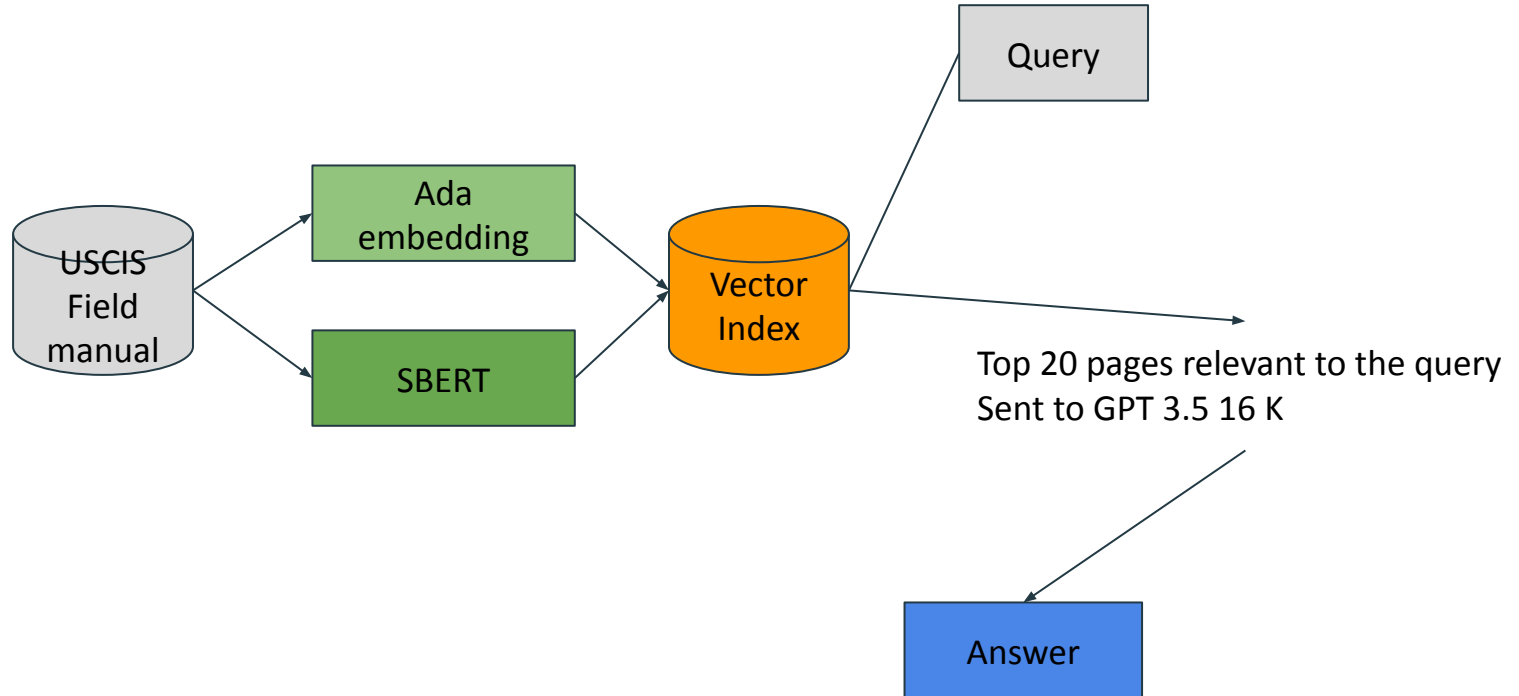

Problem

- Immigrating to a new country (eg. US) is a complex legal process.
 - Legal teams need to be able to understand how USCIS adjudicates every petition across various various visa categories
 - Very specific question personalized to each case does not have answer in Google
- Based on [Harvey](#) startup, legal tech is the perfect text-in => text out business.

Solution

- USCIS is the governmental agency that administers countries naturalization and immigration.
- We have developed a RAG system for the 2000 page **USCIS field manual**
- Anyone can ask question to the RAG (Retrieval Augmented System) and get a detailed answer

Technical solution

query:how much should i invest to get EB5 visa

To get an **EB5 visa**, the amount you need to invest depends on the filing date of your petition and the investment location. Here are the minimum investment amounts based on the USCIS field manual:

- Before March 15, 2022:
 - Standard Minimum Investment Amount: \$1,000,000
 - Reduced Investment Amount (TEA only): \$500,000
- On or After March 15, 2022:
 - Standard Minimum Investment Amount: \$1,050,000
 - TEA and Infrastructure Projects Investment Amount: \$800,000

Please note that these amounts are subject to change and may increase in the future. It is important to consult the USCIS field manual or speak with an immigration attorney for the most up-to-date information.

Follow-up question: Do you have any questions regarding the application process or any other requirements for the **EB5 visa**?

To request a prevailing wage determination for a Nonagricultural Immigration Program (PERM, H-1B, H-1B1, H-2B, and E-3) employers must complete the Form ETA-9141 (Application for Prevailing Wage Determination) and submit it to the National Prevailing Wage Center (NPWC). Electronic filing is strongly recommended.

query:What is the process for wage determination in H1B

Based on the USCIS field manual pages provided, here is the answer to your question:

- The process for **wage** determination in H1B is as follows:
- The employer must obtain a prevailing **wage** determination from the National Prevailing Wage Center (NPWC) before filing the petition with USCIS.
- The prevailing **wage** determination ensures that the **wages** offered to the beneficiary are reflective of the **wages** offered for comparable positions at the location where the job offer exists.
- The prevailing **wage** is **based on the area of intended employment where the worksite is located, or from the area of the employer's headquarters if the placement is uncertain.**
- The **wage** offered to the beneficiary must be no less than 100 percent of the prevailing **wage**.
- To obtain a prevailing **wage determination**, the employer must file an Application for Prevailing Wage Determination (Form ETA-9141) with the NPWC.
- The prevailing **wage** determination has a validity period of at least 90 days and no more than 1 year from the determination date.
- The employer must file the H1B petition within the validity period to use the prevailing **wage** rate provided by the NPWC.

💡 Follow-up: Do you have any specific questions about the prevailing **wage** determination process or any other related topic?
