

**kNowDA: know your NDAs before you  
sign them**

Knowd Team @ Cohere Coral Hackathon

# Background

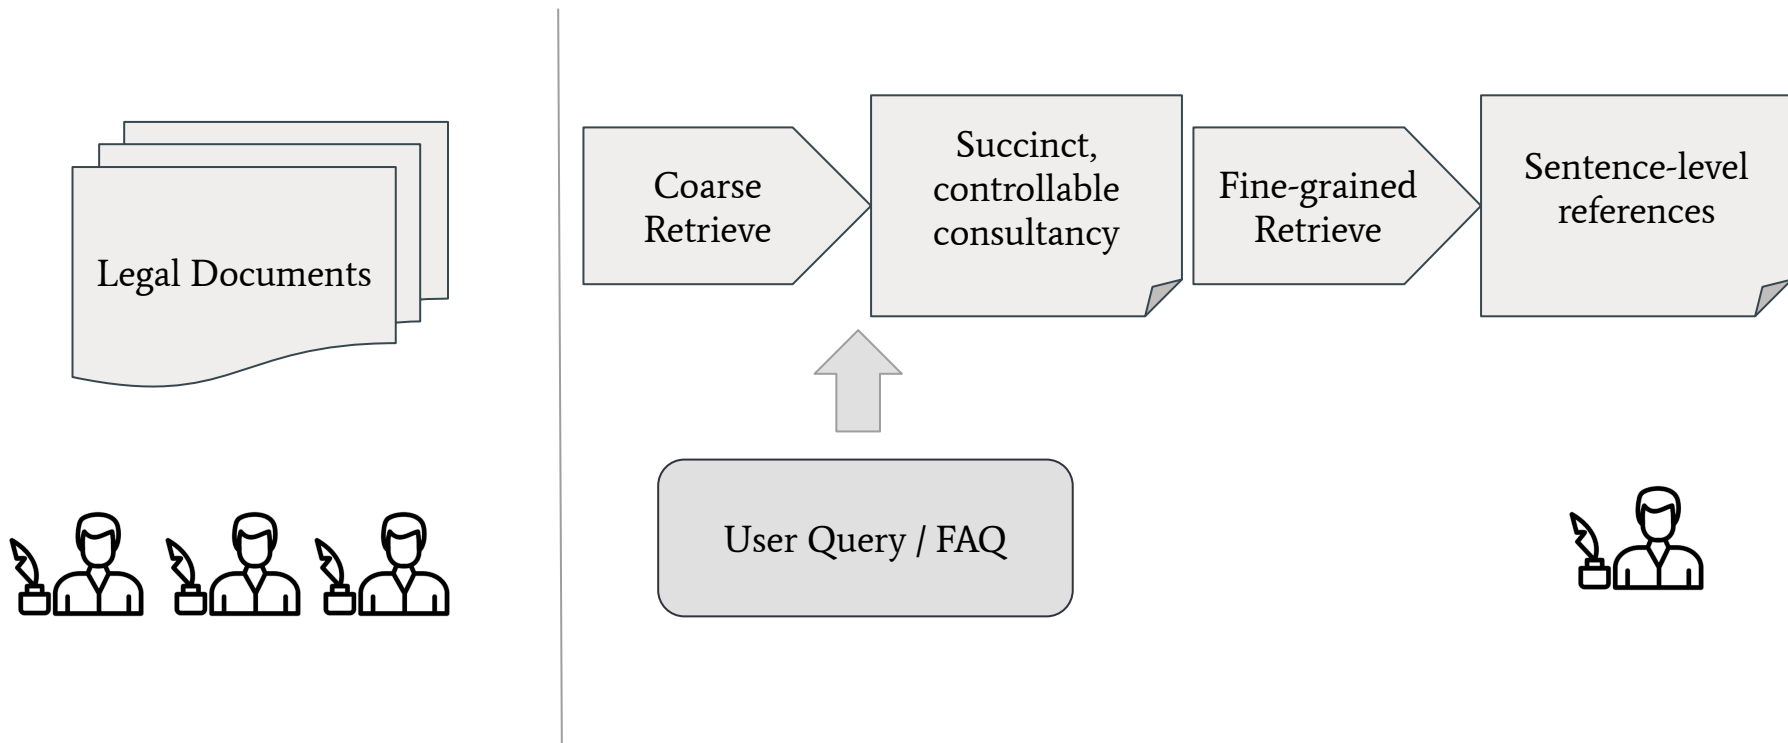

Non-Disclosure Agreements (NDA) are **critical** to both parties in the contract.

However, they are **long, verbose**, and full of **legal jargons**.

New employees are in dire need of low-cost legal consultancy.

However, typical LLMs suffer from **limited input length** and **hallucinations**.
