

AI ThinkTank

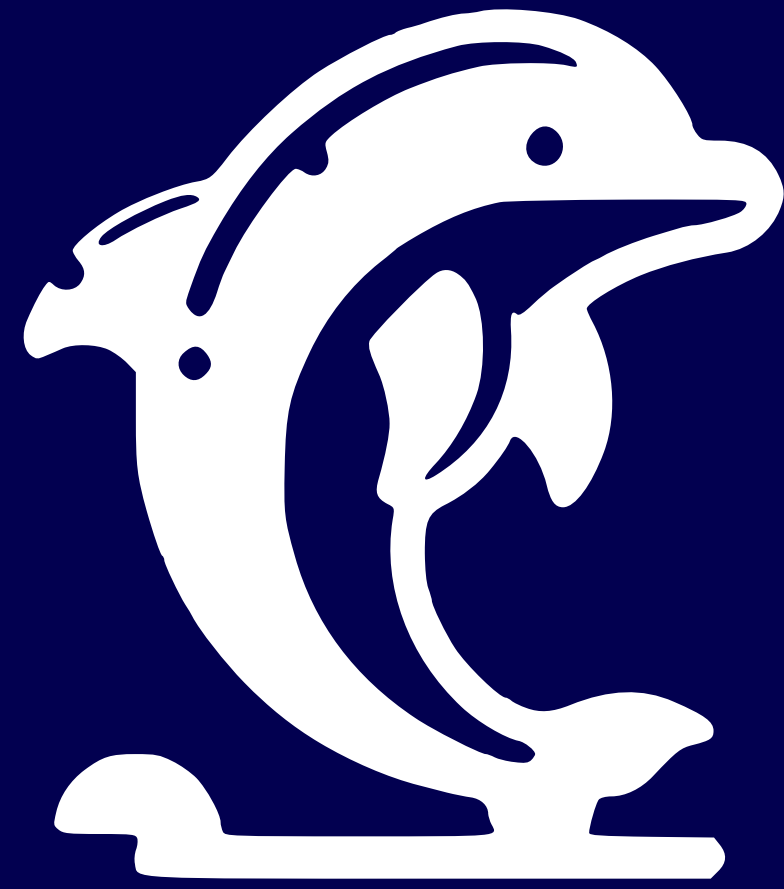

by David Satomi

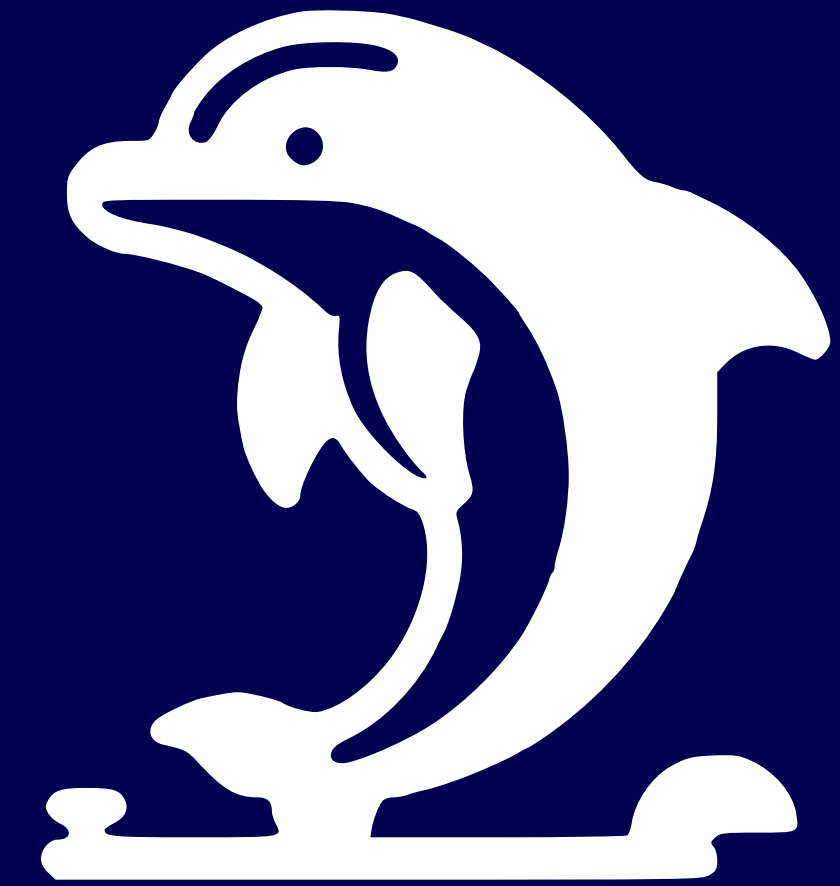

Debate: A Pathway to Empathy

- **Debating** opens our minds to diverse perspectives
→ Encourages **understanding** and **empathy**
- AI ThinkTank aims to harness this mechanism, using AI-powered debates to help people **explore** and **embrace new viewpoints**

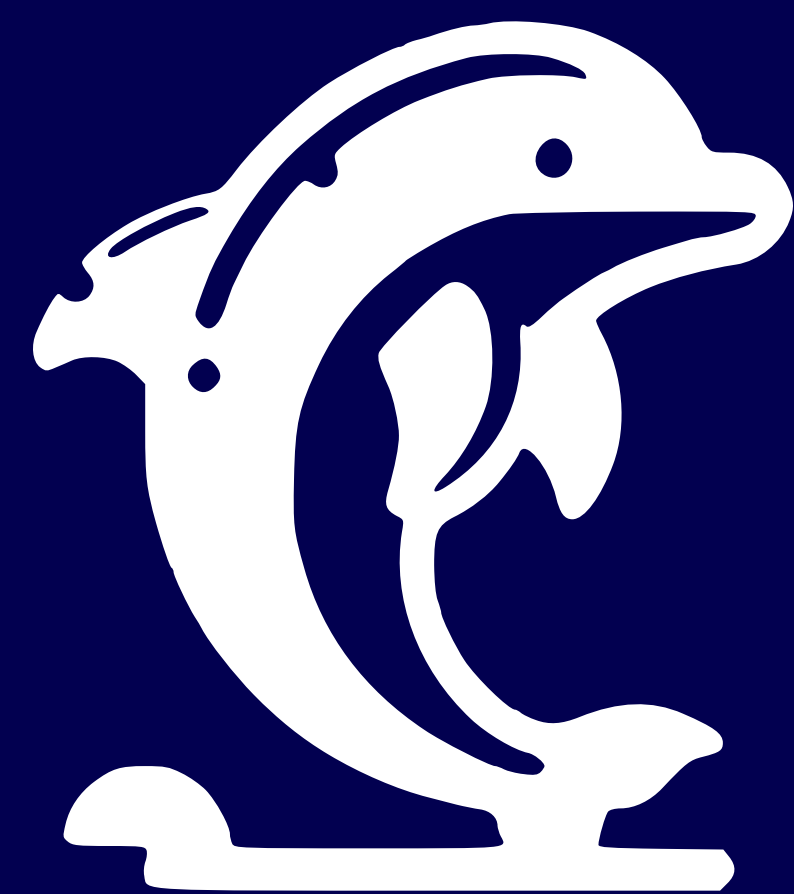

DEMO

AI ThinkTank's Future

- **Advanced Debating Features:** Improved **multilingual** support and enhanced **personalization** of experts
- **Wider User Engagement:** Expanding to educational sectors for **debate training**, corporate environments for **decision-making**
- **Global Market Reach:** Targeting a diverse range of users from **academia, businesses, NGOs**, and government agencies worldwide

Thank You!
