AGENDA

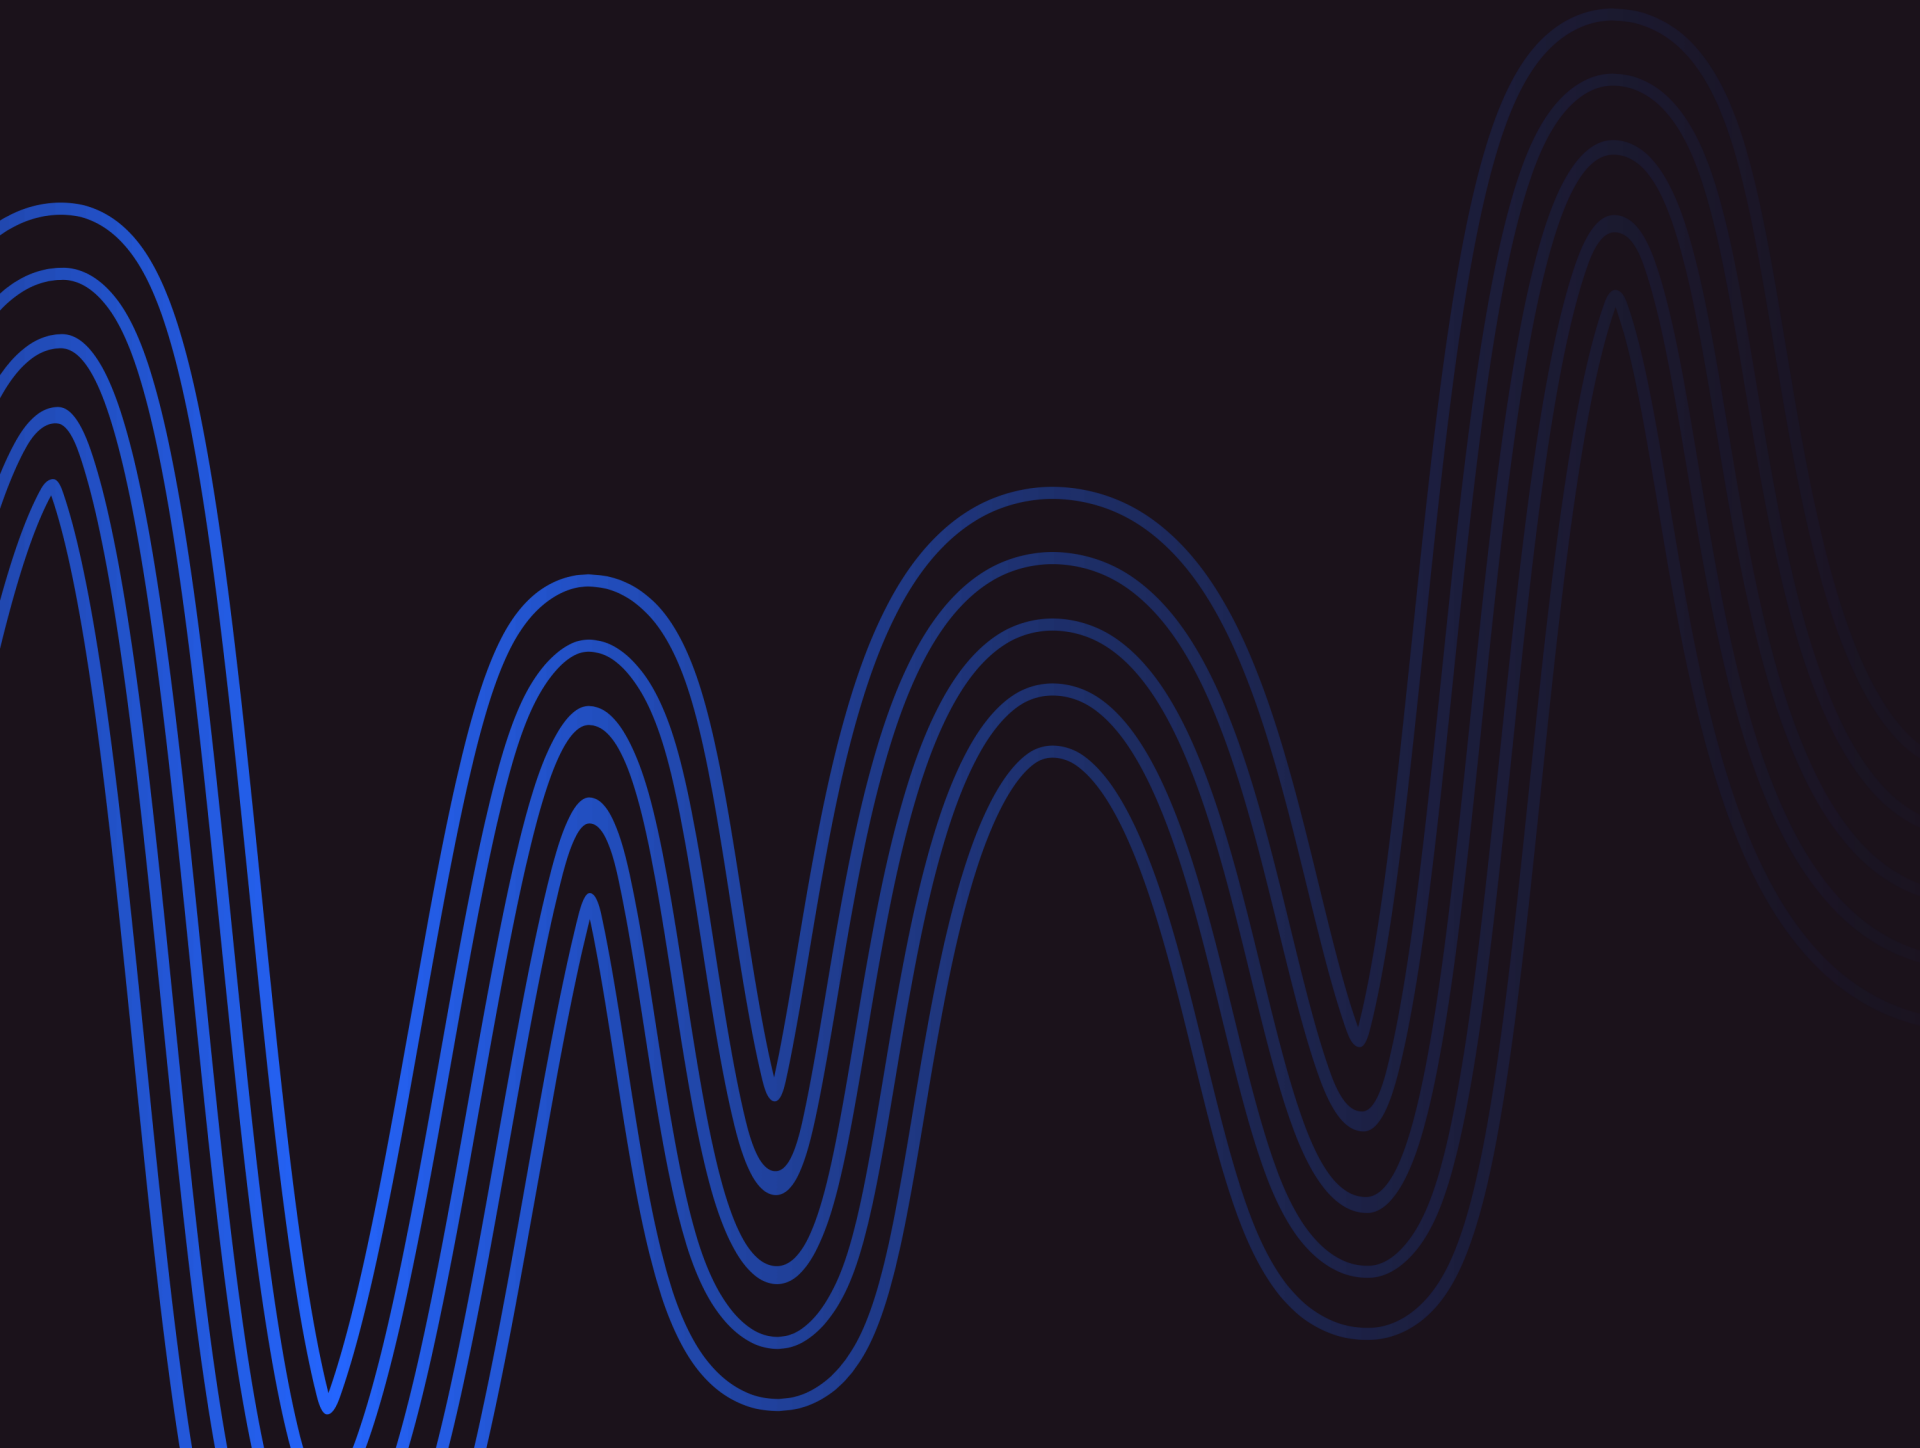

The Problem 3

My Solution 4

Workflow 5

Demo 6

Conclusion 7

The Problem !!

CHILDREN'S COMPREHENSION

Some may not fully grasp the topic because of complexity.

ENGAGEMENT DURING DISCUSSIONS

It's hard to keep focus if the topic at hand is not interesting

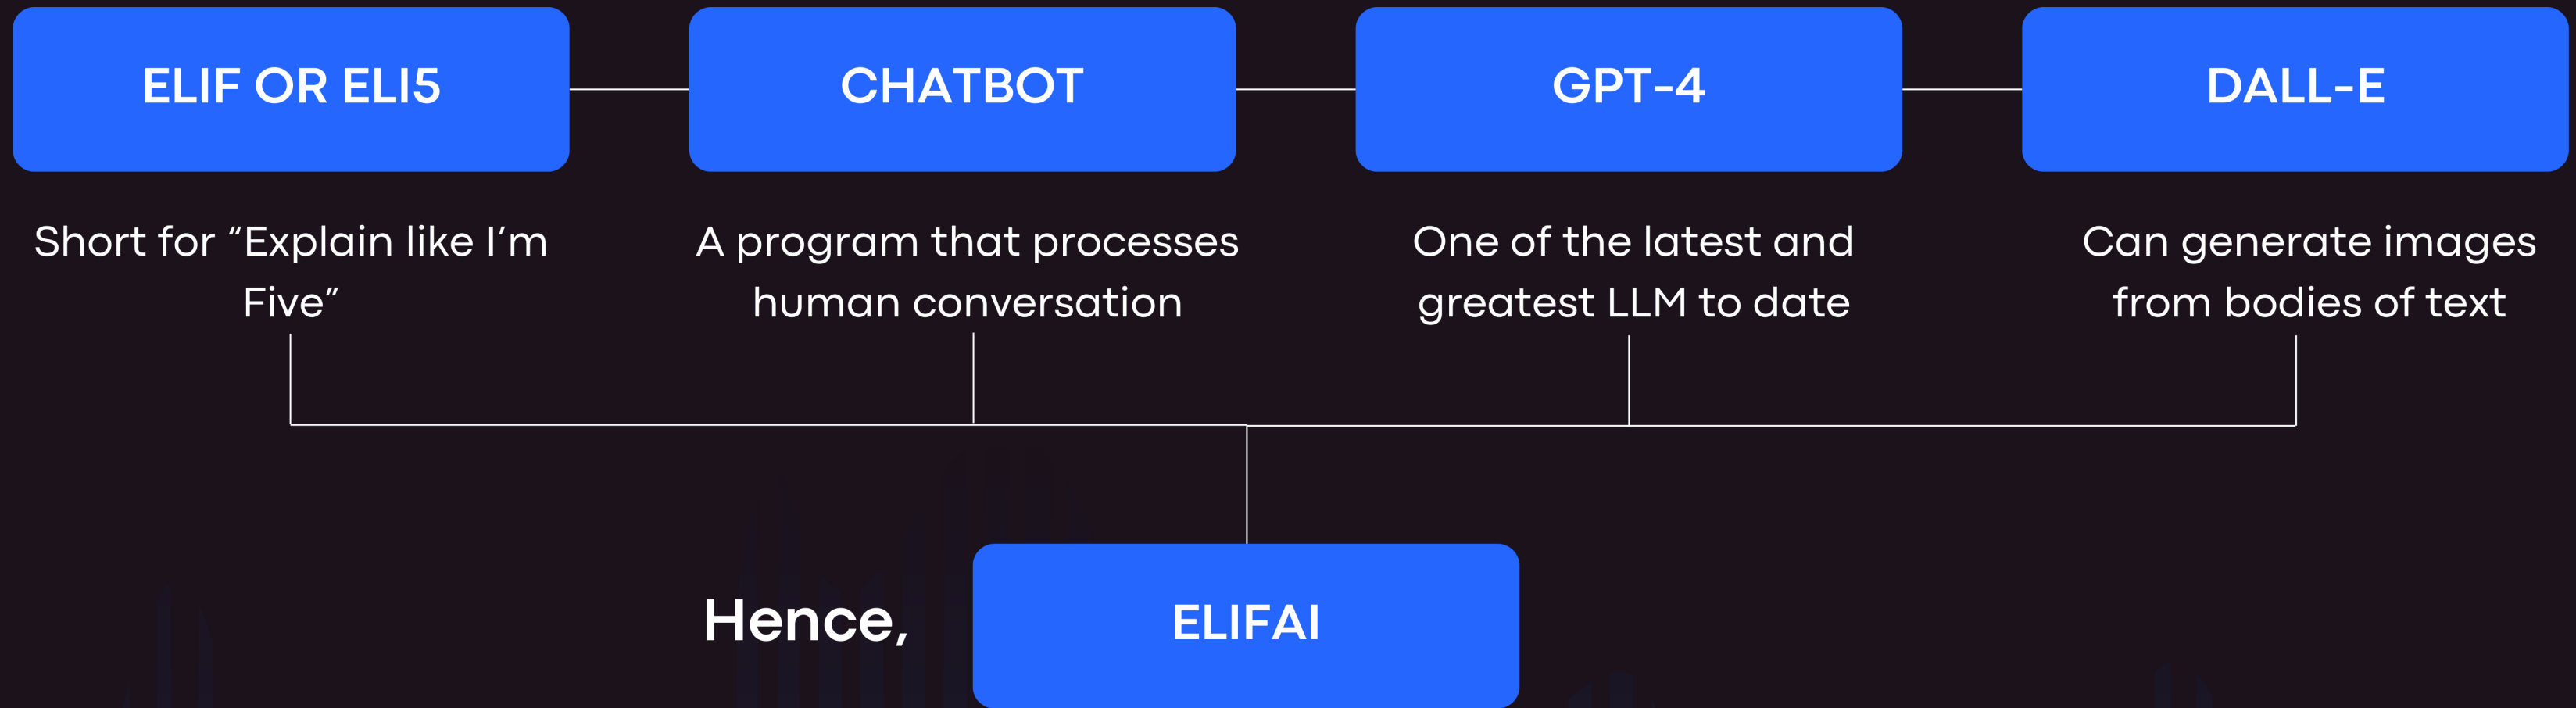

INEFFECTIVE TEACHING

Parents, guardians, and teachers either info dumps, or can't find the right words to explain things to children.

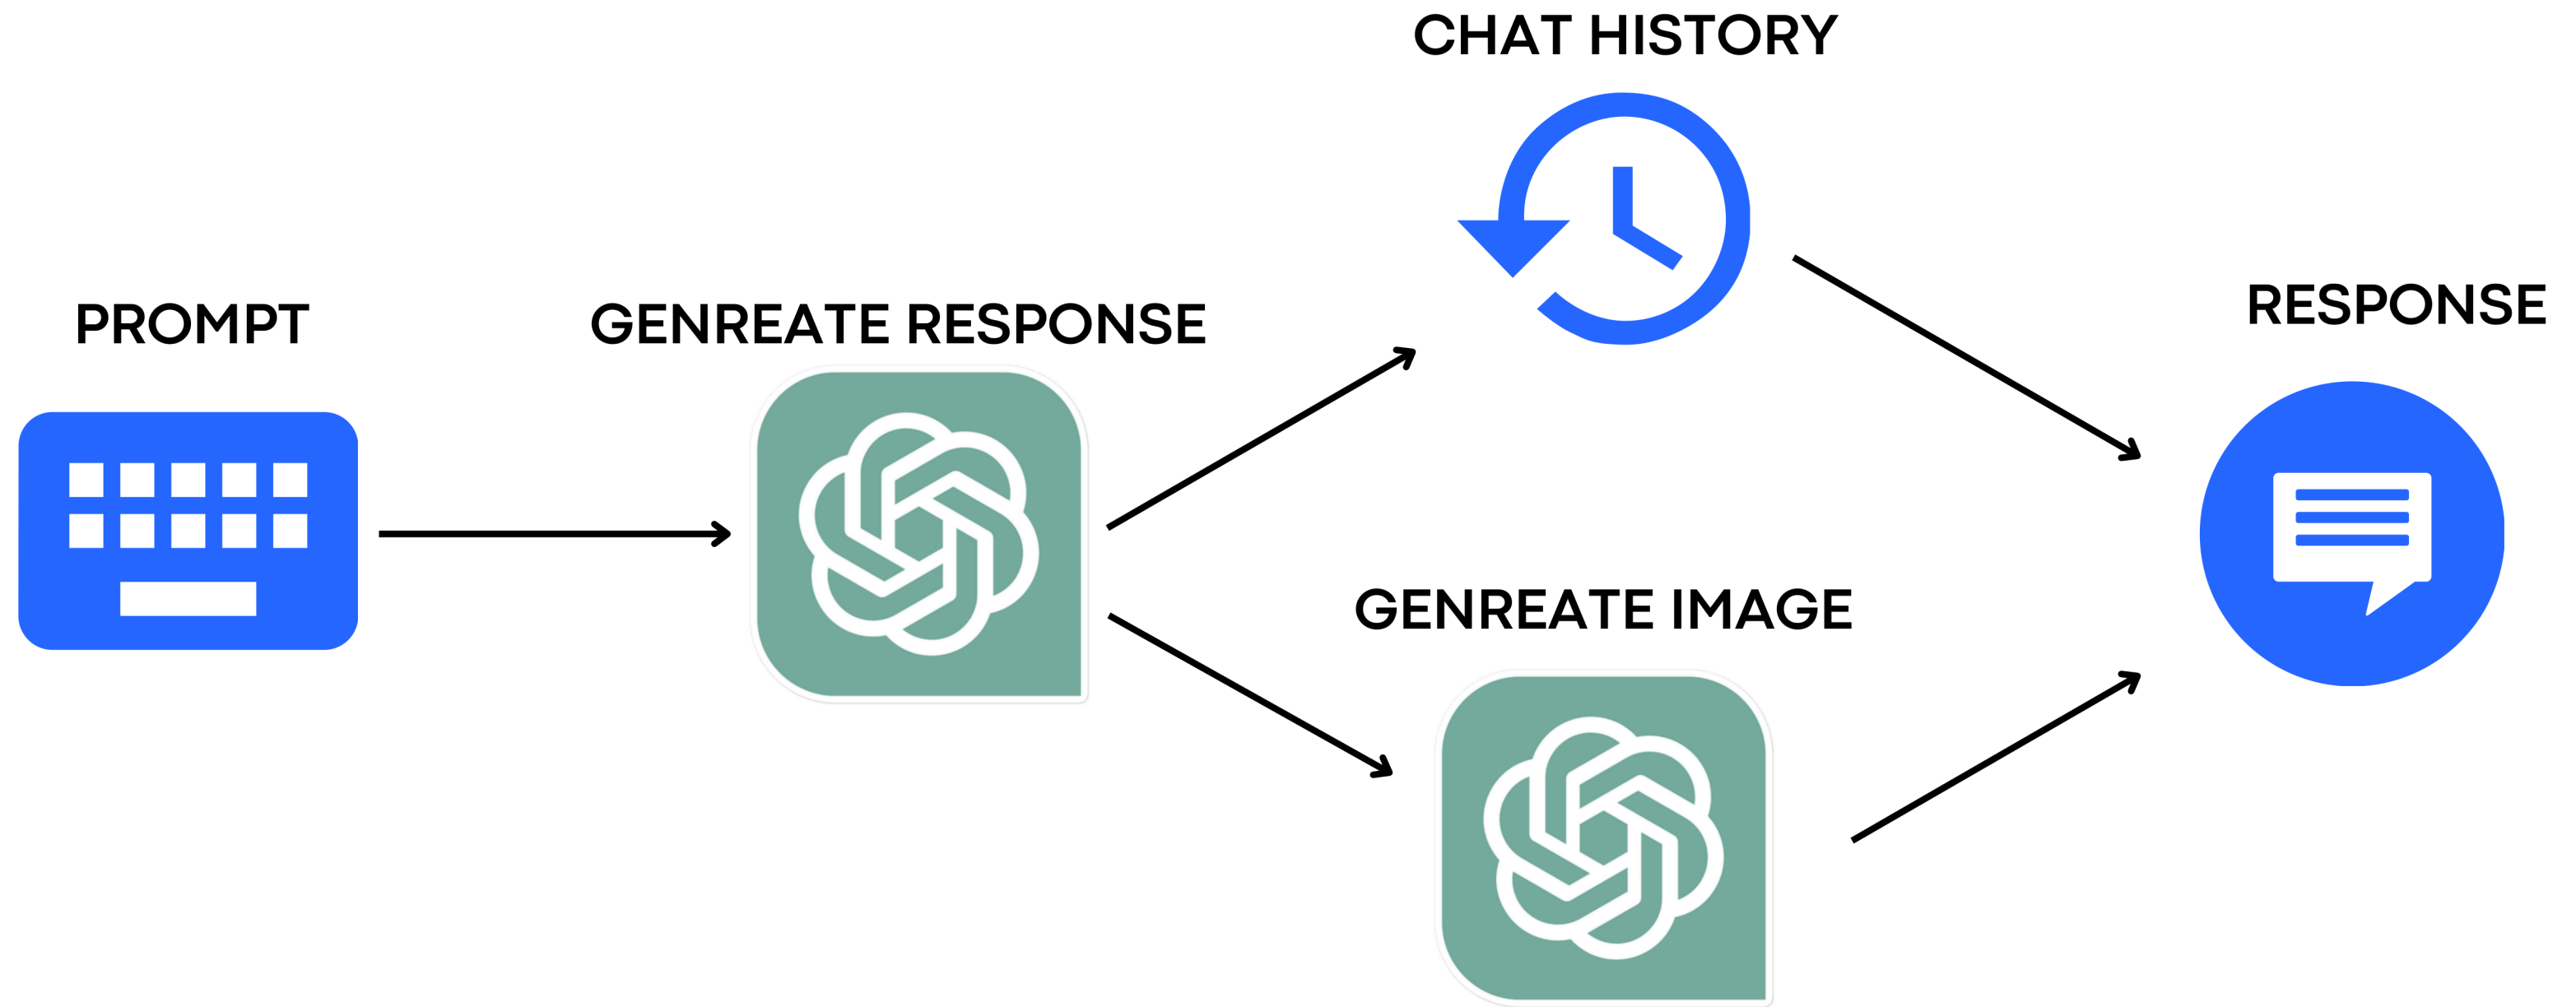

My Solution

Here's what I think of:

Workflow

DEMO ✨

CONCLUSION

In conclusion, ELIFAI redefines learning through interactive, playful conversations. It combines natural language processing and engaging elements, making education both informative and enjoyable. ELIFAI: Where curiosity meets playfulness in every answer!
