

# Wedding Vision GPT

Plan and visualize your special day  
with DALLE

# Pinterest is great, But...

- Generic
- Lack unique touch and story
- Not culturally diverse

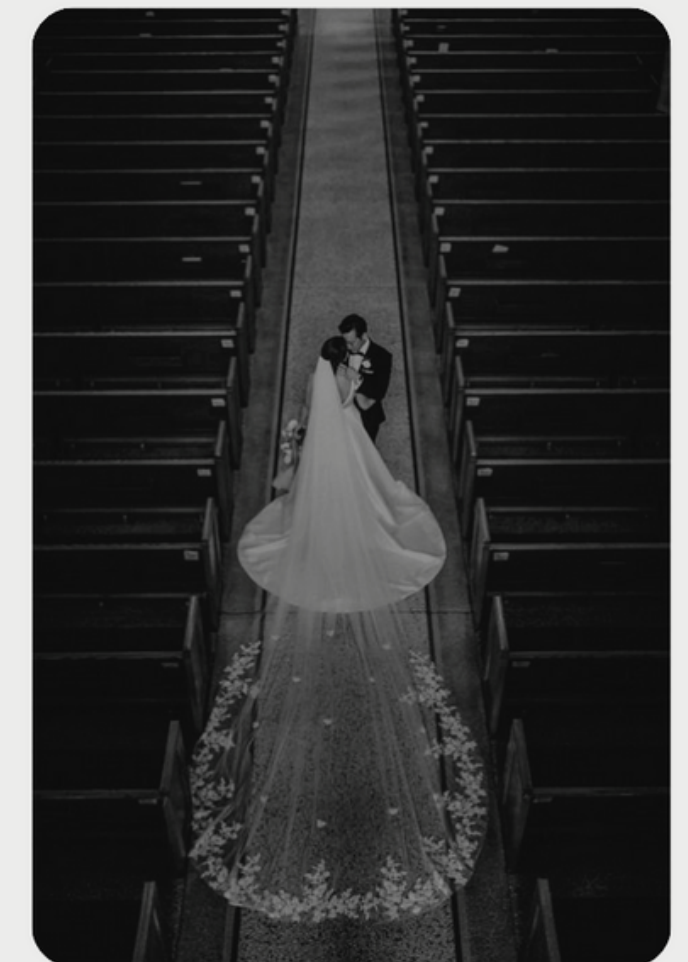

Our Favorite Real Wedding Photos of 2019

Creating a Magical Forest...

 A Sparkly Life for Me

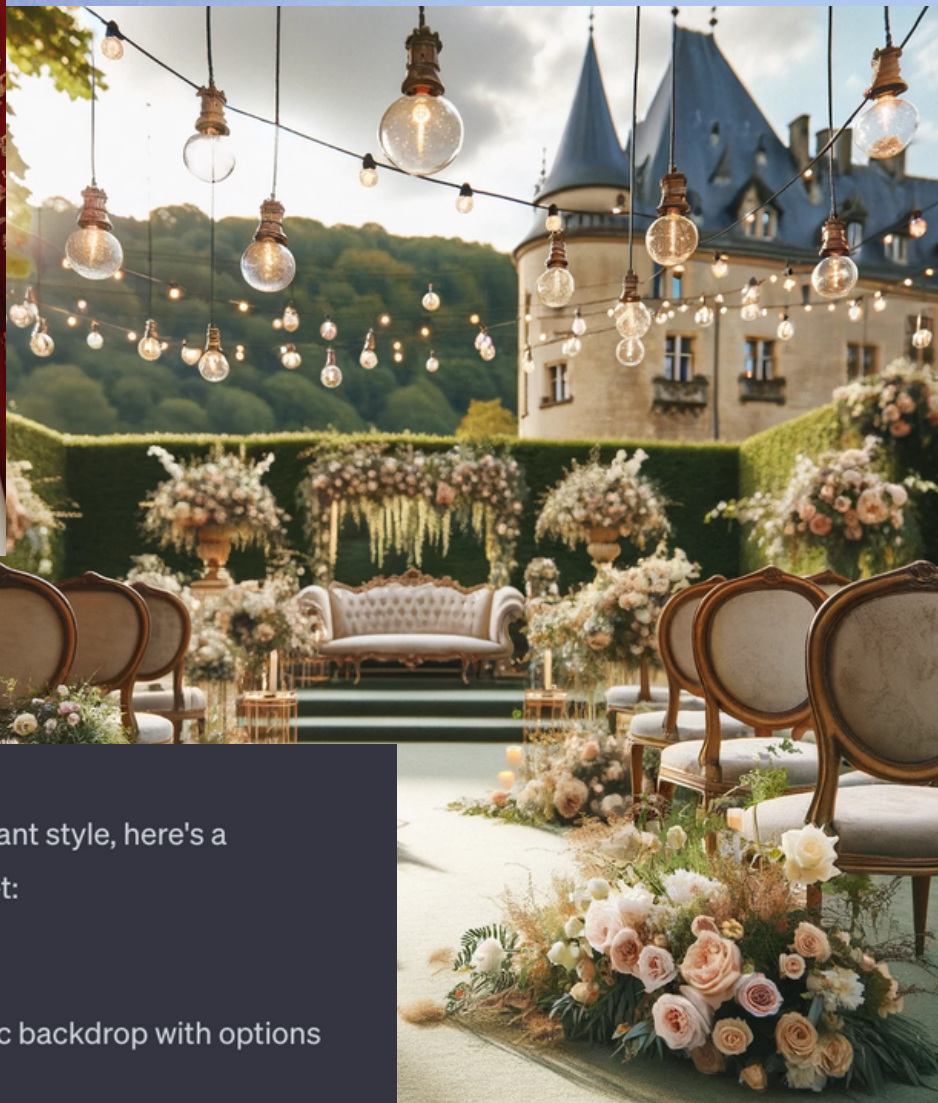

Introducing

Custom GPT

for your

Custom Wedding!

# Designed for...

## multi-cultural

Blending the traditions of couples from all around the world.

## local vendor recommendation

Each advice comes with 3 local vendor contacts for you to follow up

## foresee problems

The GPT is able to diagnose problematic points in your wedding plan (rainy season, etc.)

### Wedding Vision

For your modern wedding in Luxembourg with a Parisian elegant style, here's a comprehensive plan considering your preferences and budget:

#### 1. Venue Selection:

- *Castle Option:* Château de Septfontaines. Offers a majestic backdrop with options for both indoor and outdoor ceremonies.
- *Vineyard Option:* Domaine Thermal Mondorf. While primarily a spa, it offers beautiful vineyard landscapes, perfect for a romantic setting.
- *Budget-Friendly Option:* Château de Preisch. A picturesque location with flexible indoor and outdoor spaces.

# Pokemon- inspired Wedding,

Anyone?

# Grateful Thanks

For an amazing hackathon experience!
