

# FongBot.

## Discover Benin.

This is **Benin**.

**Natural, colorful and...**

historical.

But also **Benin** is...

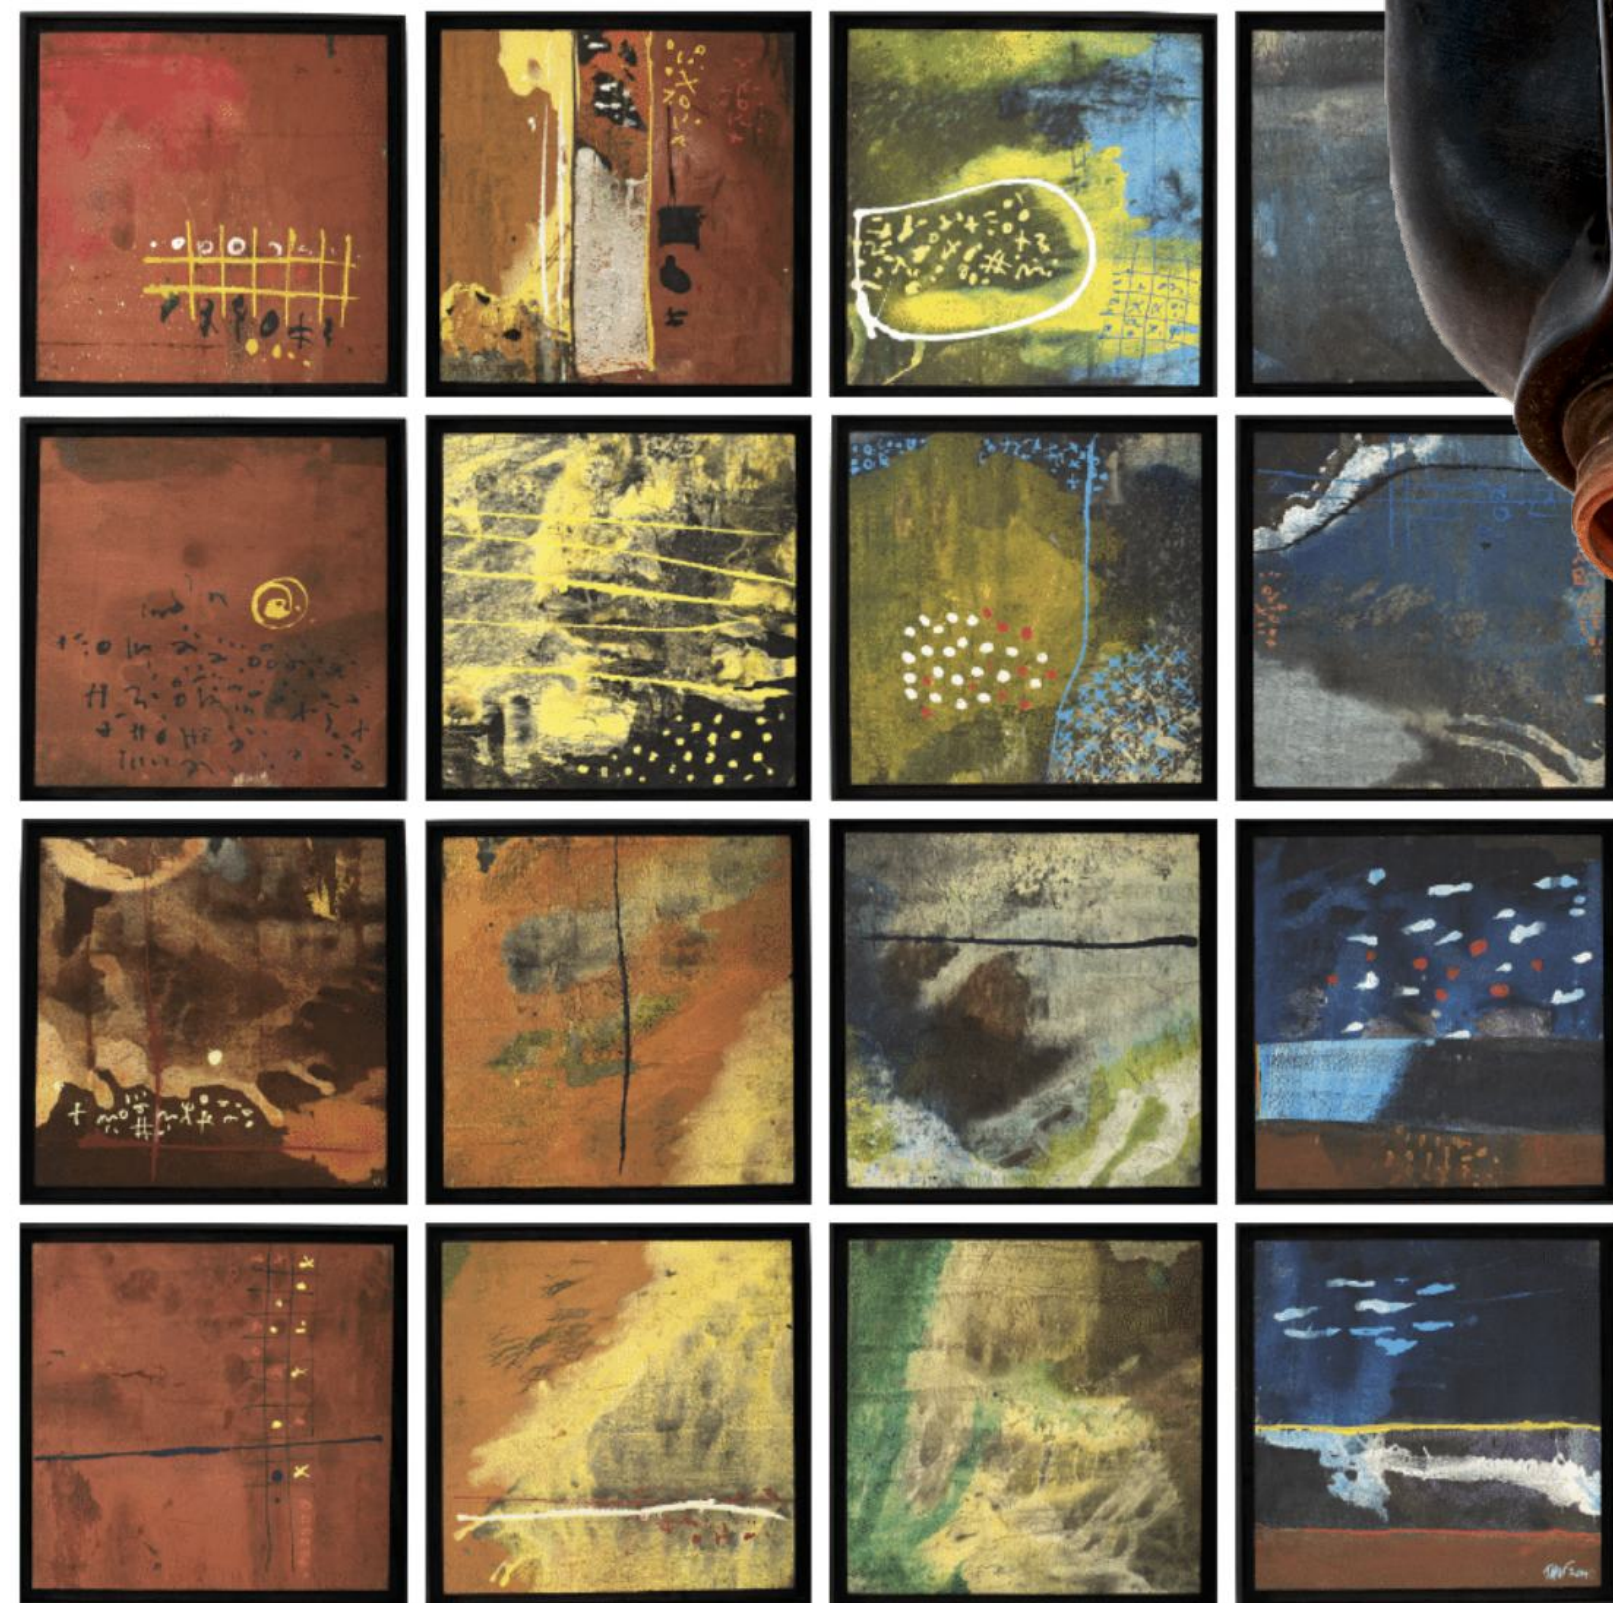

**naturally modern...**

...and so is its art.

# Benin?

Located in **Africa**

From the “Sahel” to Gulf of Guinea

They *speak* French, also **Fon.**

# Problem

Why should I go to Benin, where should I go? What should I say?

**Language barrier** to tourism and know Fon culture

Lack of resources that help closing the gap

**Tourist language anxiety**

# Solution

**FongBot is your Fongbe  
language companion. It will  
show you the Fon culture, and  
prepare you for your next trip.**

# Welcome to the Interactive Tourism Guide for Benin!

Why Benin?

This demo showcases an AI-powered assistant that is tailored to **help tourists prepare for their journey to Benin**, immersing them in Fon culture and facilitating communication. Built using advanced AI technology, **this assistant is a specialist in the Fon culture and provides expert translations between English and Fon**. It also creates visual content that enriches the user's understanding of Benin.

## What I can do?

Translating English to Fon

Asking about Fon translations

Places suggestions

Talk in Fon

## Quick answers

Food

Hotel

Restaurant

Shopping

Emergency

Apple

Water

Lunch

Note: Translations are simulated for illustrative purposes.  
Please verify accuracy with a native speaker.
