AW Wingman – Who is it ?

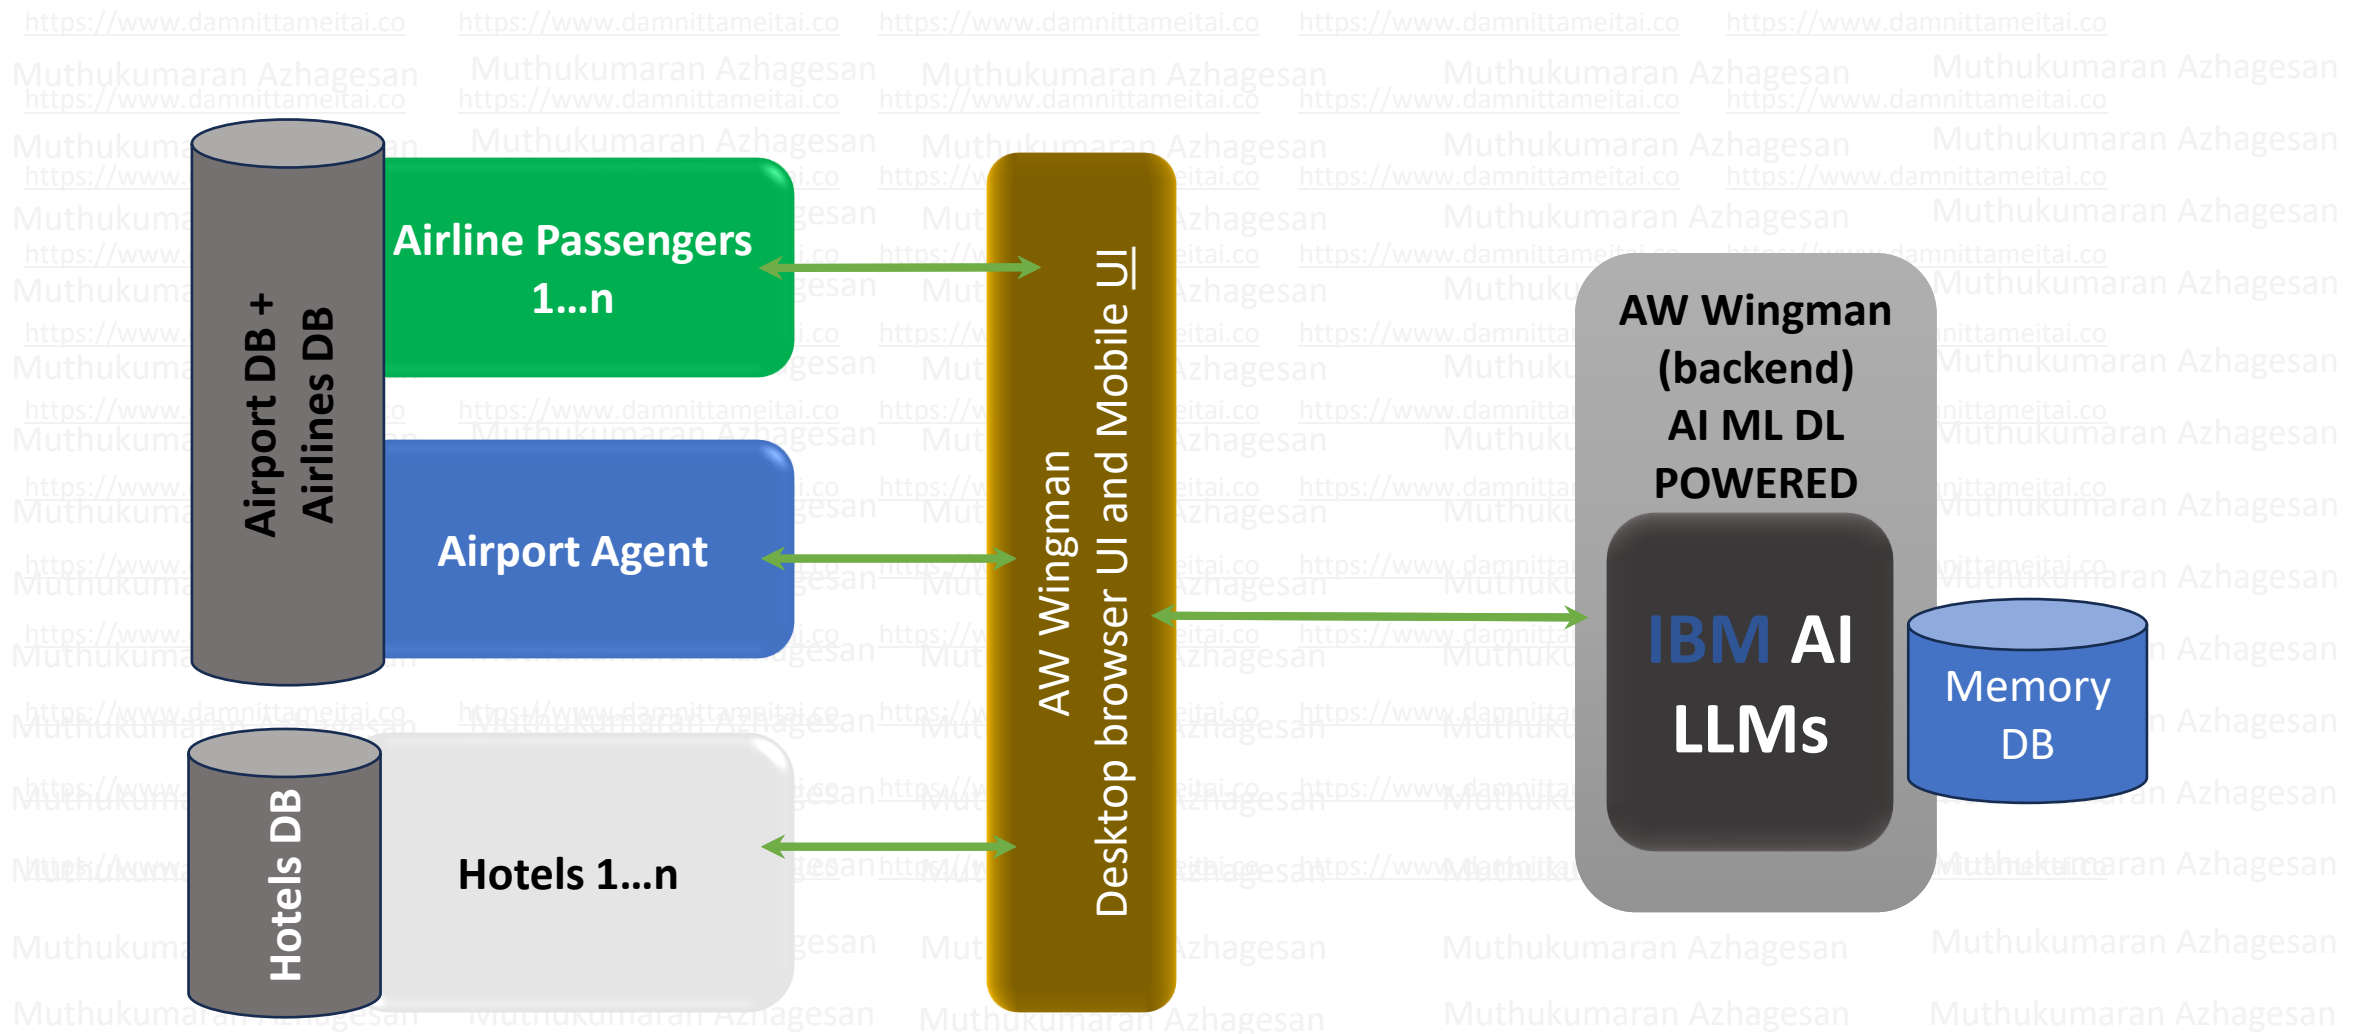

AW Wingman - Components Flow – high level

AW Wingman – Data Flow Mid level

AW Wingman – Components/LLMs Flow – in depth

Need for AW Wingman

- Passengers travel hassle-free even in bad winter weather conditions
- No head-ache for Airlines and Airline agents
- Overall smooth operating airport
- Happier people, happier countries, happier/friendlier world

AW Wingman – Business Plan

- App available in both mobile and desktop
- App is free to passengers worldwide, forever!
- Airlines, Hotels/chains pay annual subscription
- Discount/free subscription for selected hotels
- One more thing

Keeping global travel seamless to air travelers regardless of extreme weather conditions.
