

# ECOVoyAGE

By: Hendry Setiawan

# WHAT IS IT ?

**EcoVoyage** is an AI chatbot designed to help travelers plan their trips. It provides eco-friendly and low budget guide for accommodations, transportation, dining, and activities

# WHY WE NEED IT ?

- Travelers are increasingly aware of the environmental impact of tourism.
- Many travelers feel overwhelmed by the sheer volume of information online, making it hard to plan effectively.
- Not everyone has access to curated, easy-to-understand travel advice.

**THANK YOU !**
