**1. Key Points**

- Rishi Sunak faces criticism for failing to meet promises made as Prime Minister regarding illegal migration and inflation.
- Labour leader Sir Keir Starmer delivers a speech acknowledging the need to connect with voters and outlining plans for the next phase of his government.
- Immigration figures show a decrease in illegal arrivals but an increase in legal migration.
- The Labour Party insists they are not conducting a "reset" despite criticism of their policies.
- Russia shifts its focus to supporting Bashar al-Assad in Syria amid the ongoing war in Ukraine.
- Turkey and Iraq hold discussions to address the regional developments in Syria.
- Host Tom Cheshire discusses the complex geopolitical dynamics in Syria, including the involvement of various domestic and international players.
- Presenter Greg Wallace faces mounting allegations of sexual harassment and inappropriate behavior, prompting a response from the BBC.
- Wallace denies wrongdoing but continues to face scrutiny for his comments and actions.

2. Analysis

- The increase in legal migration is attributed to the removal of international students' ability to bring dependents.
- The government emphasizes its commitment to tackling illegal migration but avoids setting specific targets.
- Russia's support for Assad in Syria highlights its ongoing global ambitions despite the war in Ukraine.
- The presence of various players in Syria creates a complex and volatile situation with potential regional implications.
- Greg Wallace's response to allegations of sexual harassment reflects a pattern of denial and deflection.

3. Future Outlook

- The government's plans for the next phase of its mission remain to be seen.
- The Labour Party will continue to face pressure to clarify its stance on immigration.
- Tensions in Syria may escalate due to the involvement of various domestic and international actors.
- Greg Wallace's denial of allegations may lead to further scrutiny and potential consequences.
