

# Team DevAI

Fall in Love with DeepSeek  
Hosted by LablabAI

[dev-ai-flow.vercel.app](https://dev-ai-flow.vercel.app)

Developers are **not leveraging AI** in development workflow!!

# Problems

01

**Content Switching**

02

**Copy Paste issue**

03

**Lack of context for LLM**

# Mission and Solution

Make Developer life easy

01

**VS Code Extension**

Chatbot

02

**Context  
Understanding**

Chatbot understand codebase

03

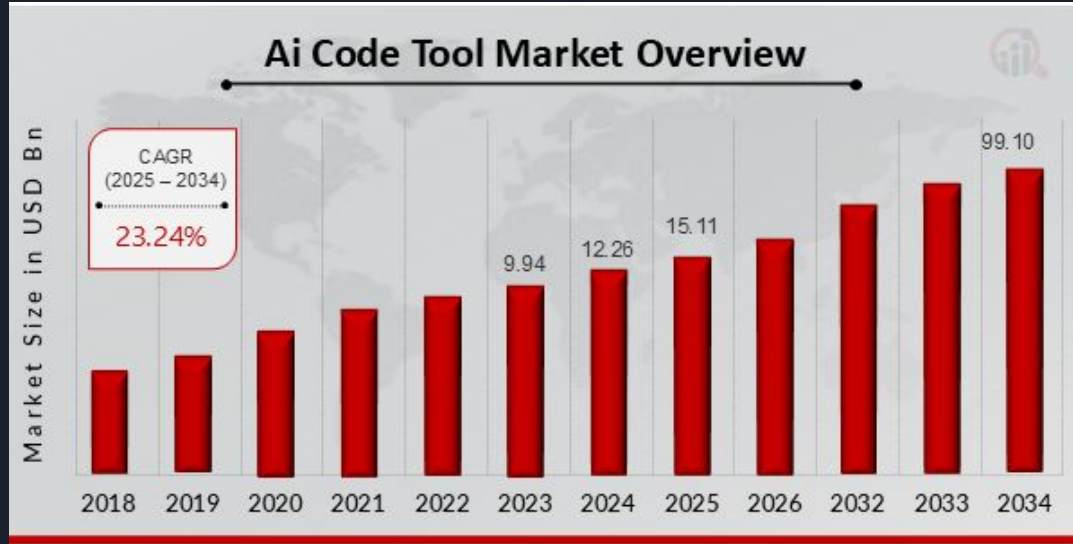

**Action  
Performance**

Executes code modifications, file operations, and terminal commands

# Tech use

01	Platform	  
02	API/LLM	  <b>AI/ML API</b>
03	Framework	 <b>CAMEL AI</b>
03	Database	 <b>drant</b>

# Addressable Market

Even if DevAI captures just 1% of the market, it could generate a **billion-dollar revenue** by 2034.
