Email Insights

Transforming Long Emails into Actionable Insights

Problem Statement

Email Overload

Businesses deal with long and complex emails daily.

Buried Action Points

Important action items often get lost in lengthy email threads.

Manual Review of Attachments

Attachments (CSV, Google Docs) require extra effort to analyze, causing inefficiency

Our Solution

Email Insights - Your AI-Powered Assistant

- Summarizes email content in seconds.
- Extracts action points & key insights automatically.
- Analyzes attachments (CSV, Docs) for important data.

EI
