

FOUNDER CONNECT

A VISIONARY NETWORK FOR
INNOVATORS AND LEADERS

PRESENTED BY

TEAM CHOCOMALAI

What is Broken in the Start-up Ecosystem?

Founders struggle to find the right investors, vendors, and manufacturers.

Networking is fragmented across multiple platforms (LinkedIn, WhatsApp groups, emails).

Investors waste time filtering serious founders.

No platform enables two-way discovery — both sides want to find each other.

WHAT'S BROKEN IN THE STARTUP ECOSYSTEM:

Introducing Founder Connect

One platform that connects founders to investors, vendors, manufacturers, and more.

Role-switching system: a user can be a founder, vendor, or investor.

Built-in messaging, profile discovery, and smart matching engine
