

Third Chair

Your Legal Document Guardian

Transforming Legal Document Review with AI

AI-Powered

24/7 Available

Error-Free

The Problem

“

"Imagine programming in Apple Notes. No linting, no cursor, you're on your own."

That's exactly how lawyers draft and review contracts in Microsoft Word today.

High Stakes

Every mistake damages reputation

Time Pressure

Associates work under intense deadlines

Perfect Detail

Partners demand attention to detail

Zero Tolerance

Clients expect zero errors

Current Manual Process

Time-consuming

Hours spent on manual
review and cross-
referencing

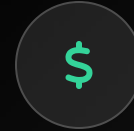

Error-prone

Human oversight leads to
costly mistakes

Inconsistent

Varying quality across
different reviewers

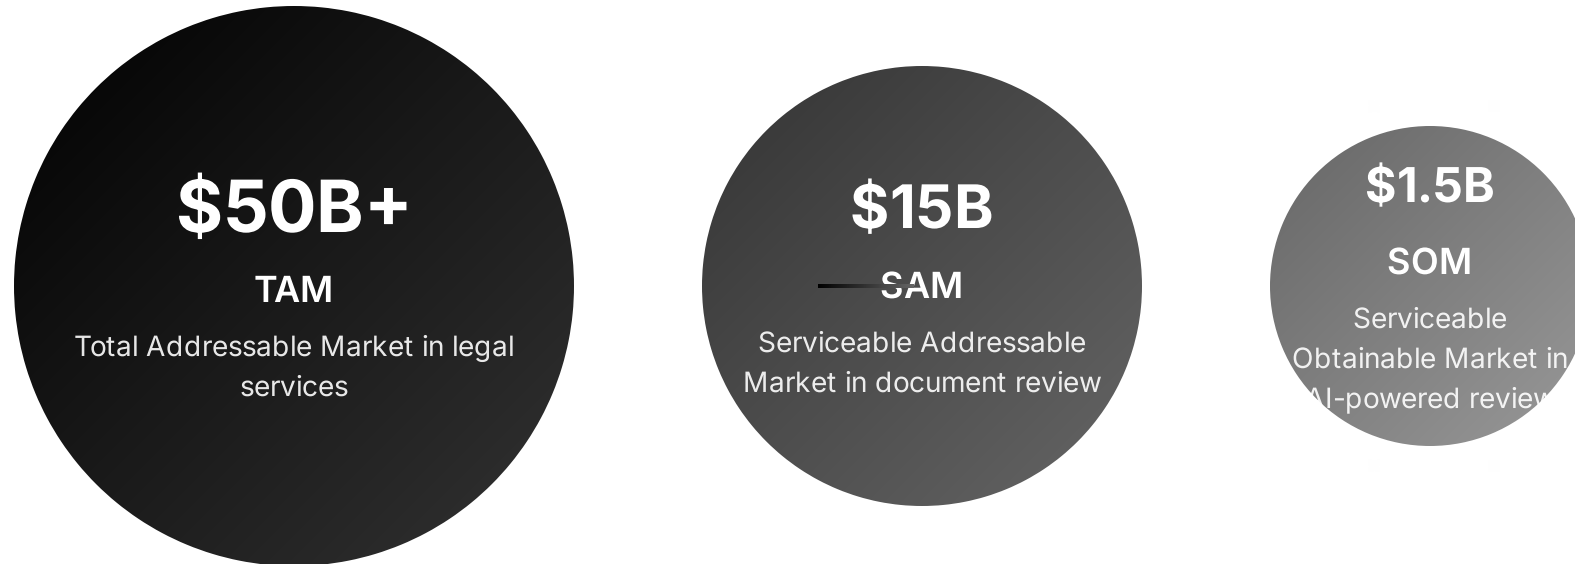

Expensive

High billable hours for
routine tasks

The legal industry needs a better way to handle document review

Market Opportunity

And we're just getting started.

The Solution: Third Chair

Introducing Third Chair - your legal document guardian. We deploy specialized AI agents that work together to analyze and validate your legal documents, just like a team of expert legal professionals.

Like Having Expert Legal Professionals

Available 24/7, consistent quality, zero fatigue

AI-Powered Analysis

Advanced algorithms review documents with precision

Team of Specialists

Multiple agents working in coordination

Document Guardian

Comprehensive protection and validation

Firm Standards Agent

Senior Partner

It's like having a senior partner review every document, but available 24/7.

Ensuring consistency across all practice groups

Style Guides

Automated enforcement

All Groups

Level Review

Senior partner quality

24/7

Always Available

Never sleeps, never tires

100%

Consistent Quality

Every document, every time

Our Firm Standards Agent ensures your firm's style guides and best practices are consistently applied across all practice groups.

Document Alignment Agent

SPA

Stock Purchase Agreement

Term Sheet

Original Terms

Aligned

Validated & Consistent

SPA vs Term Sheet Comparison

Automatic cross-validation

Inconsistency Detection

Flags deviations instantly

Cross-Reference Validation

Expert eyes on every detail

“

"It's like having an extra set of expert eyes on every cross-reference."

Working on a complex deal? Our Document Alignment Agent automatically checks your SPA against the original term sheet, flagging any inconsistencies or deviations.

Consistency Analysis Agent

Defined Terms

Catches term slips and inconsistencies

Cross-References

Identifies bad references and links

Logical Gaps

Detects logical inconsistencies

Calculations

Verifies mathematical accuracy

Style Issues

Maintains consistent formatting

Punctuation

Corrects punctuation errors

Comprehensive Quality Assurance

Every detail checked, every error caught
