MARKETING PLAN

Partnerships & Affiliates:

Collaborate with bar associations, legal tech influencers, law firms and startup incubators to expand reach and gain endorsements.

Product-Led Growth:

Let the product sell itself—offer limited free usage, real-time contract demos, and in-app upgrade nudges to convert users.

Retargeting & Nurture Campaigns:

Use LinkedIn and email retargeting to re-engage visitors who viewed your pricing or started trials but didn't convert.
