

Spark Team

Mohamed Hantour

Principal Software Engineer,
Utilizing AI Software
Engineering Experience To
Enhance the Quality of Life.

Mohamed Abo Bdwey

Product Manager

Mohamed Nasr

Senior Software Engineer,
Dream then let the Code
make it real.

Nermien Khalifa

Founder, Artificial intelligence
Engineer

Mohamed Ramadan

Experienced software
engineer with mobile app
development expertise.
Passionate about AI and
keen to enhance skills in
the field.

The Problem

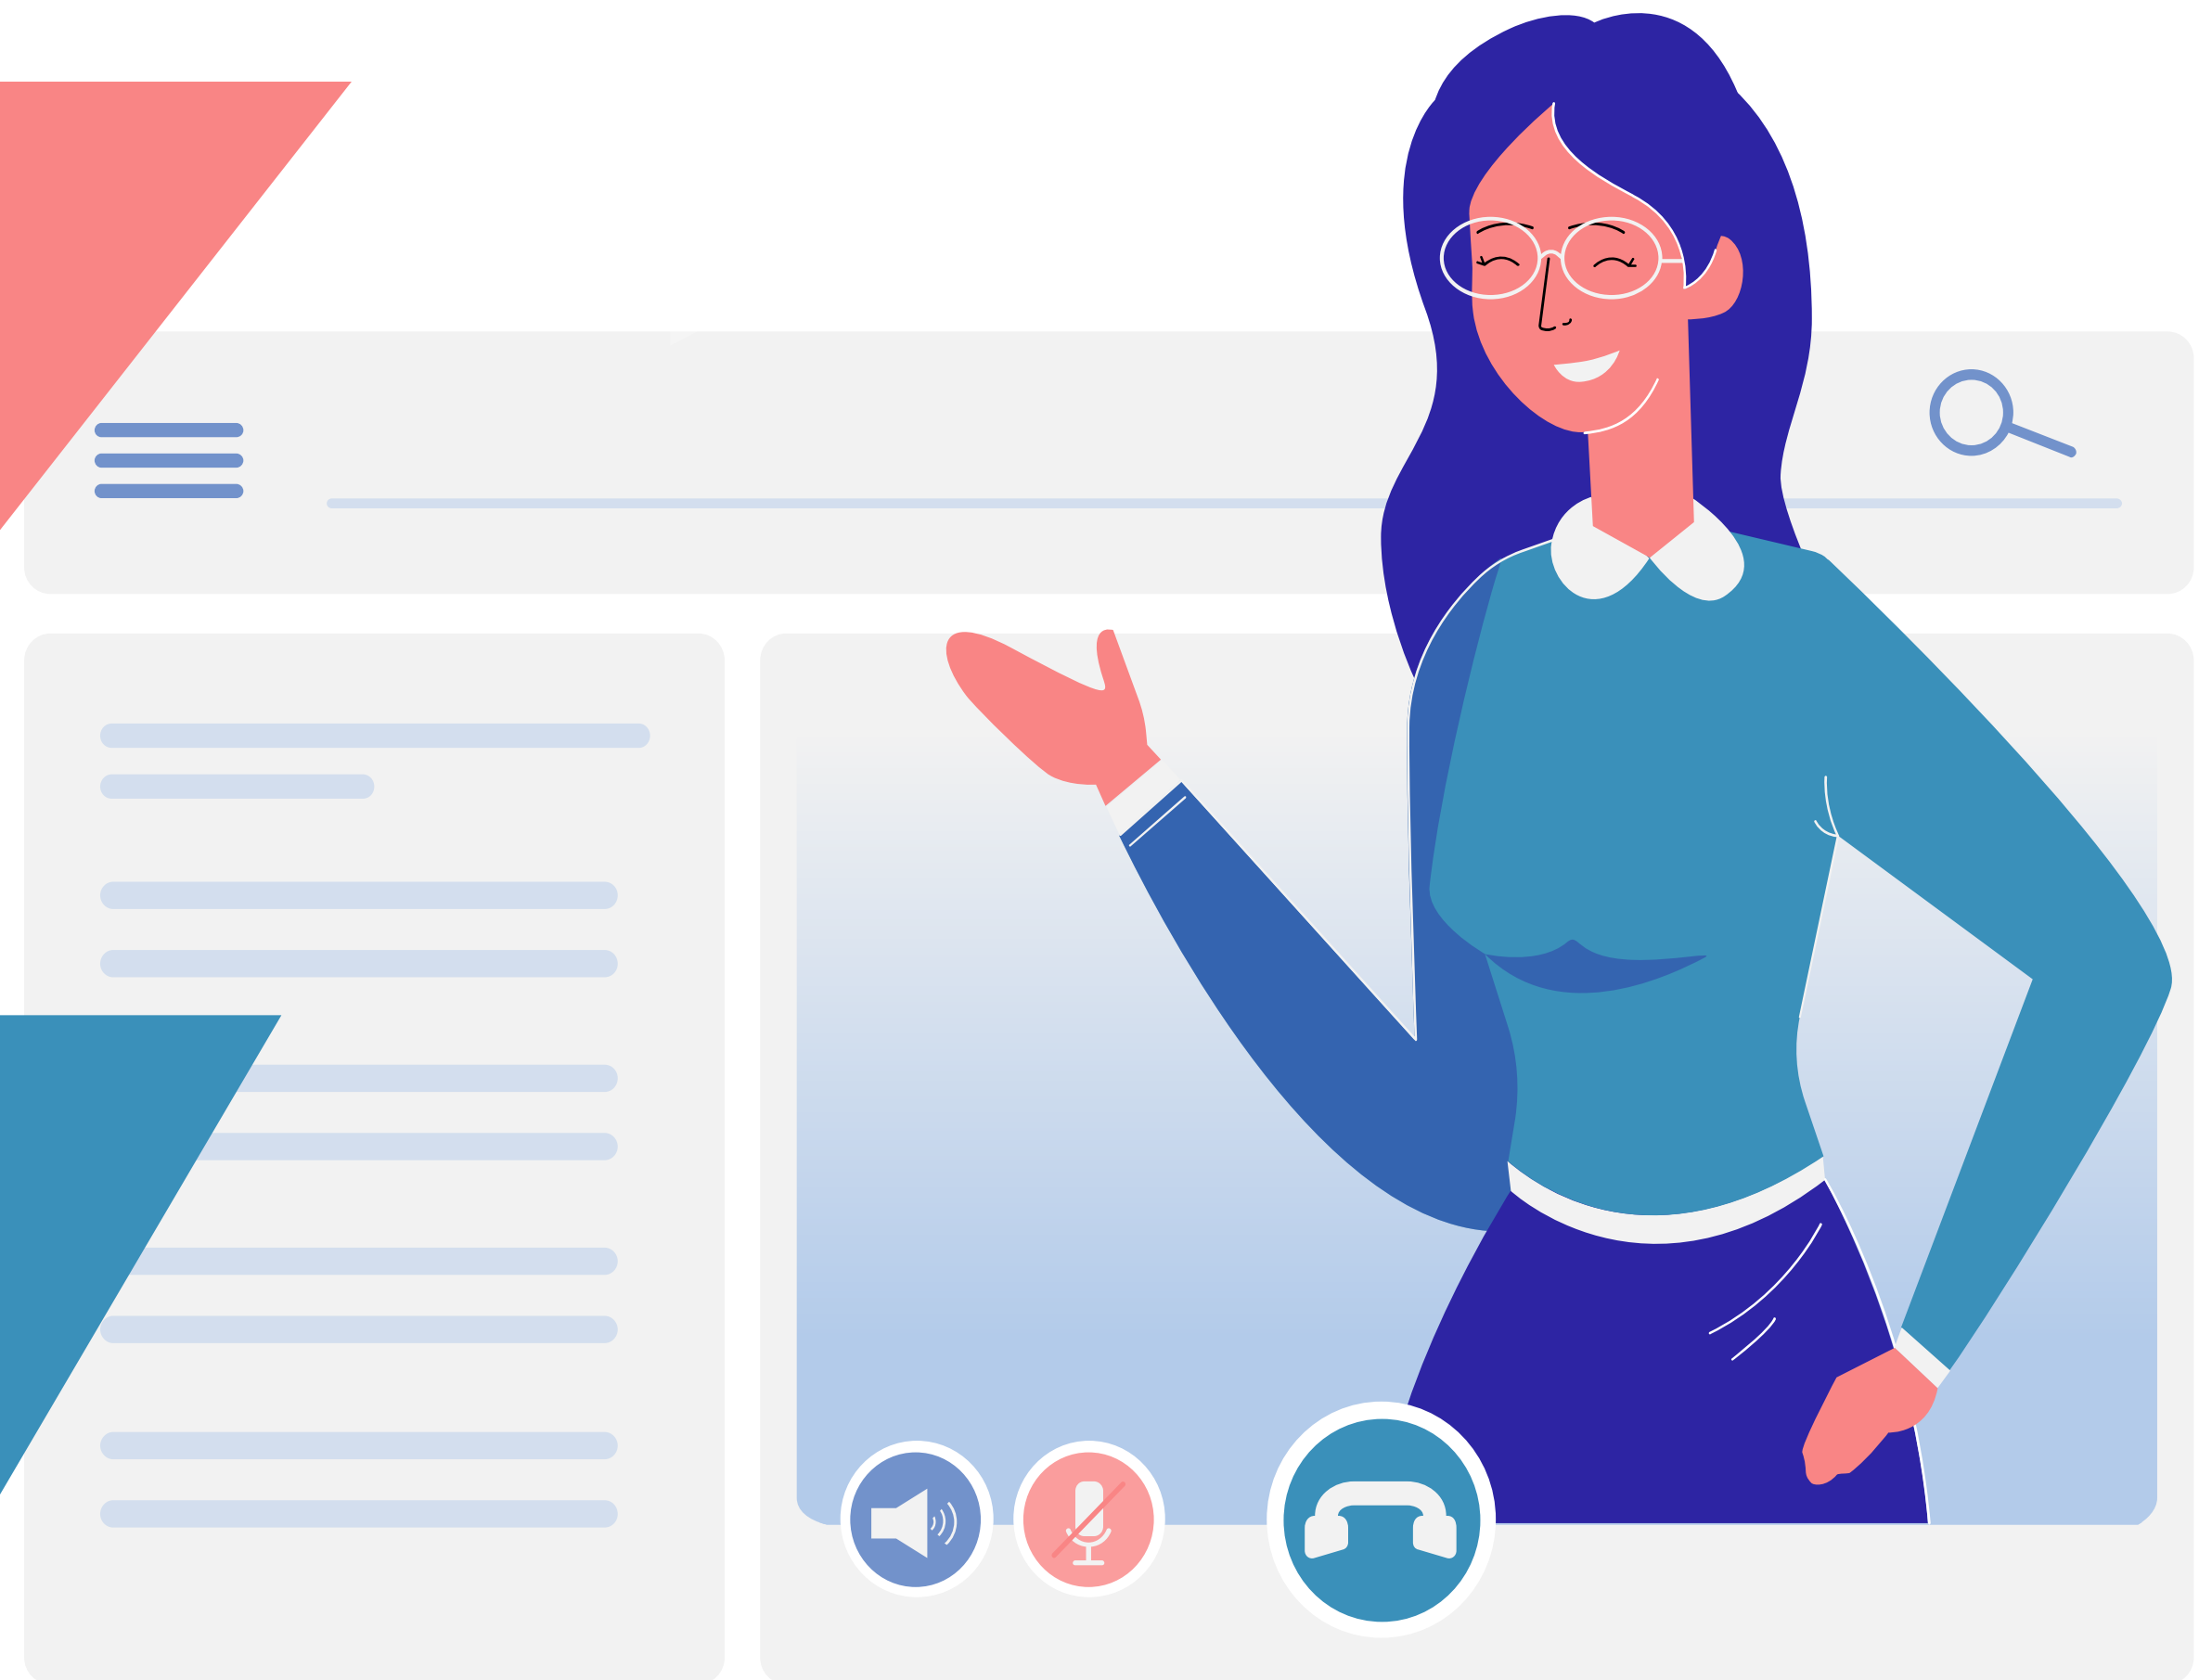

Traditional education systems often struggle to provide personalized learning experiences for students due to the limitations of the one-size-fits-all approach.

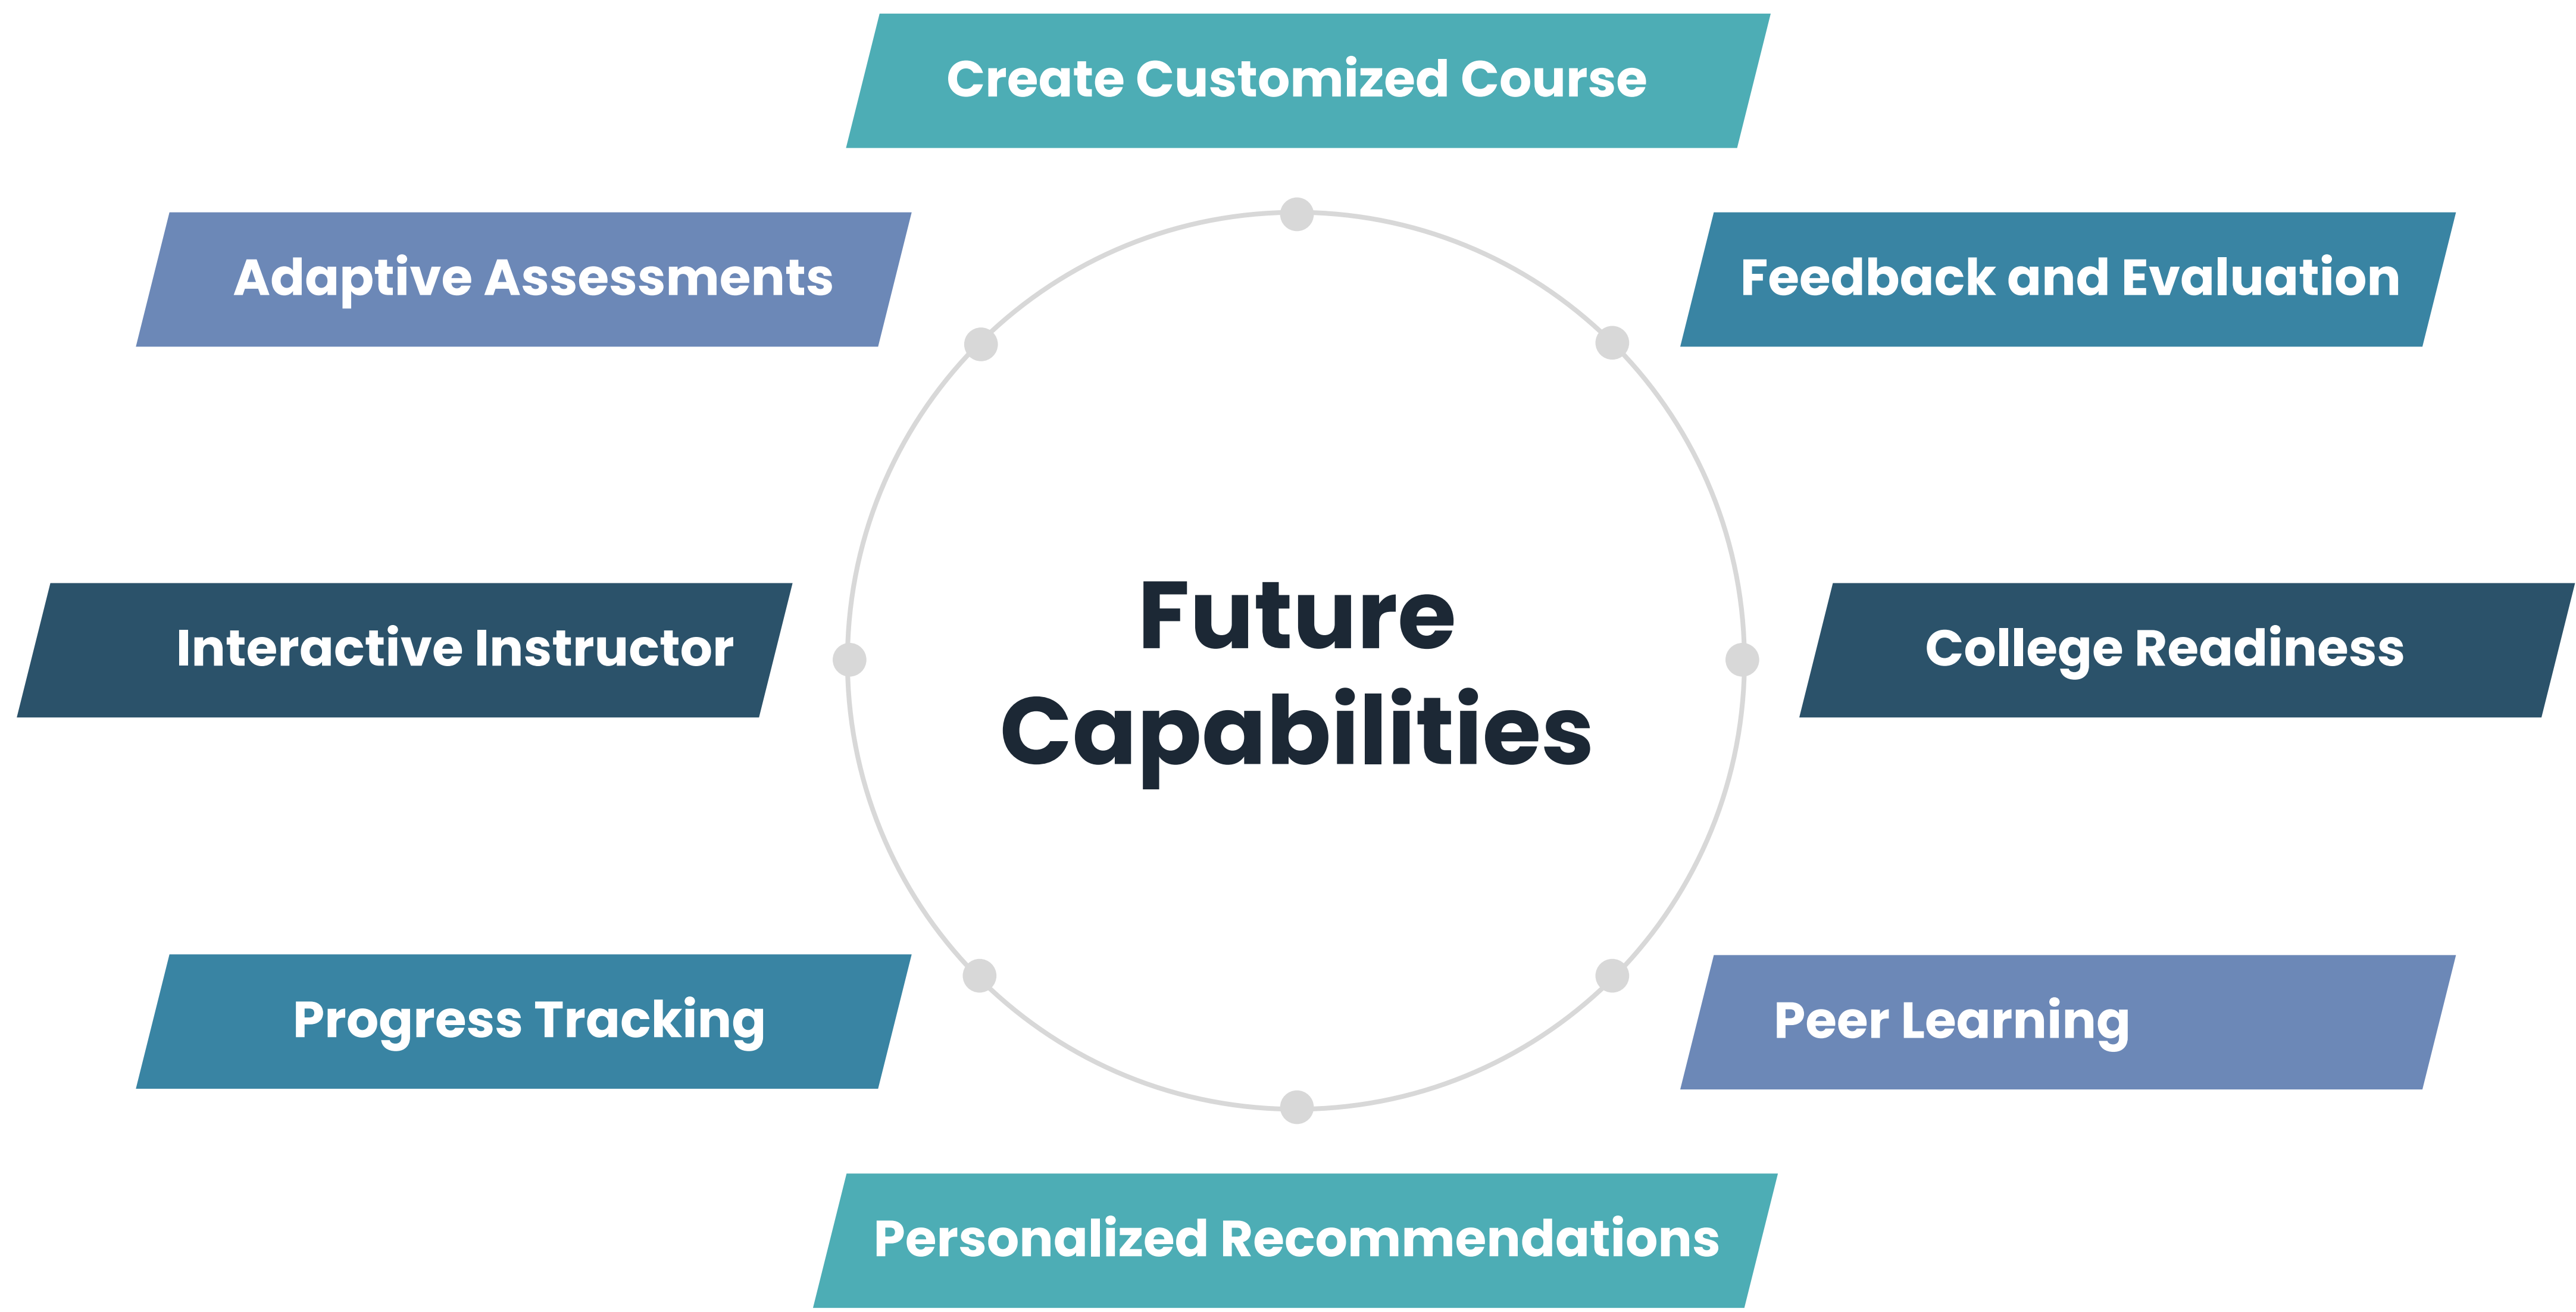

Personalized Virtual Instructor

AI-powered platform that uses generative AI models to generate and act as virtual instructors and learning companions

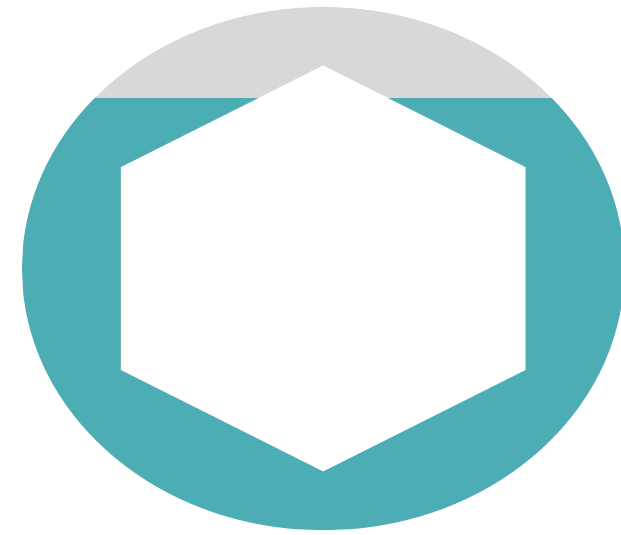

Personalizing the learning experience analyzing data on each learner preferences and adapting the content, pace, and teaching style to optimize engagement, outcomes, and skill development
