Mr. Max Stern

New York, N.Y. 10003

Dear Mr. Stern:

President Shazar was, of course, delighted to hear from you and to be able to reciprocate the good wishes for the New Year you so kindly sent him. He has asked me to tell you that he is most appreciative of your having sent him Rabbi Lamm's forceful pamphlet. He is, as a result, looking forward to having Rabbi Lamm participate in the Circle on Diaspora Jewry which meets in the President's House.

With the President's warmest greetings,

Sincerely,

Shulamit Nardi
