Dear Rabbi Lamm,

I am a pupil of the Rabbi J.L. Zlotnik Seminary and am completing my teacher's course at the end of this year. I wish to prepare myself for the Ministry, and in pursuance of this aim I have decided that I should like to study at the Rabbi Yitzchak Elchanan Yeshivah University. I should like to commence my studies at the beginning of this academic year, i.e. September 1964.

I am well-known both to Rabbi Isaac Goss, Director of the S.A. Board of Jewish Education, and Rabbi A. Hilewitz, the Principal of the Seminary, and they could afford you with testimonials as to my character and progress etc.

You will appreciate that I am a stranger to America and I would greatly be indebted to you were you to give me guidance how to proceed about my application for entry etc. I appreciate that you are busy but I feel that since you are on the spot you can help me in this matter and I am desirous of doing everything possible to further my studies and equip myself to be a worthy member of the Rabbinate.

Hoping to hear from you soon.

With every good wish to you,

I am,

Sincerely yours,
