President Norman Lamm  
Yeshiva University  
500 West 185<sup>th</sup> Street  
New York, NY 10033-3299

Dear Norman,

I want to thank you ever so much for the inscribed copies of your most recent publication. They will make for good company, like their author, a source of wisdom and inspiration. I admire the scope of your learning, the level of your energy and the warmth of your scholarship.

May you go from strength to strength.

Warm regards,

Ismar Schorsch
