

A 529

Date Sept 17

Memo

From The Desk of:

Rabbi NORMAN LAMM

The "Asklap" sermon was
used at Ave. services & went
over very, very well. If the
applications are changed & made
more appropriate to upstairs,
& if p. 4 is organized better --
more logically & with a sentence
or two of clarifying transition --
it should be usable for
the main service, too
for 1987 3rd %.
