Rabbi Norman Lamm,
President
Yeshiva University
New York City
U. S. A.

Dear Norman,

Thank you ever so much for the your Religious Thought of Hassidism. It is true bounty, and for someone like myself who is rather ignorant of hassidic thought it promises a wonderful learning experience. Once again, I can only marvel at how you manage to combine your full-time administrative responsibilities with what would seem to be your equally full-time (and varied!) intellectual pursuits. כה לחיי!

Cordially
