Dear Member:

Bnai Zion is very pleased to announce an exciting opportunity for you to take part in an historic travel program; a week-long charter flight trip to Romania. This unbelievably low priced travel bargain (\$299 plus tax and service) has been especially designed for Bnai Zion. In total, this is an irresistible offer.

Romania today is almost totally unexplored. Here you can find a Europe that existed long before American tourists arrived. The old, colorful capital city of Bucharest is a delightful mix of art and history, theaters and shops--a venerable, unique European city. Romania's incredible mountain region, Transylvania, is a land of legend and history, of gypsy caravans, palaces, and friendly, picturesque rural villages.

We are very excited about this fabulous bargain, and anticipate an enormous response. Since reservations are processed strictly on a first-come, first-served basis, we urge you to send in your reservation application as soon as possible. Reserve space now so you won't be disappointed; Romania is a rare travel experience that none of us should miss.

We hope you'll be able to join us.
