Dear Rabbi Lamm. Dear Mindy

Just received your letter, and wish
to reciprocate ~~you~~ your good wishes for ^{me}.

I sent you by separate post copy
of my book "Today's Challenge to Judaism"
published in 1972. Would you care to write a
review for Tradition, how that you "know"
Australia?

With best wishes in which Mrs Lamm
joins me,

Yours truly
Norman

N.B. People still talk about
your visit.
