Graduate School of Education
Philadelphia 4, Pa.

Dear Bill:

Thank you very much for sending me the series of short articles on Jewish Religious Education which you prepared for the University of Notre Dame.

My major reaction is one of admiration for your ability to condense so much significant information into so short a space.

I found them most interesting, and if anything else of the sort issues from your pen, please be sure to send it on to me.

Best regards.

Sincerely,

RABBI NORMAN LAMM
