Dear Rabbi Lamm,

I hope you and your family are well. I understand you have a sabbatical coming up, which I hope will turn out to be both restful and productive.

My son Ari, who is involved with dormitory administration this year, tells me of many new additions and refurbishings. He even says the food, and especially the shabbos cholent, is awesome. If that isn't a **ברכה סימן**, I don't know.

Best wishes for a **כתיבה וחתימה טובה**.

Ari
