Q

Dear Norman,

I was at the Jewish Center this shabbas
to wish you a personal ²¹⁰ 5th but I discovered
you were taking your last vacation.

I will be at ITS for the next two years.
We have an apartment on Broadway + 90th but it
appears that Carol's ambition - to be a congregant of
yours - is not to be fulfilled.

I really wish you all the best. I ~~also~~ ^{always}
felt close to T.V., closer now that you are at
the Belm, and if there is anything I can do
for you - I'll try my best.

I had breakfast with Susan Cohen this
morning and I discovered that you have a sincere
admirer in him.

Cordially,
Charles (Liebman)
