RABBI Lamm יב"ד

I enjoyed your note very much in
memory of Rabbi Belkin זצ"ל.

You spoke of the custom of drinking wine
for the third meal on Yom Kippur. I enclose
a copy from the Standard Sephardic prayerbook
which includes the הלכה for wine as a
prerequisite for fulfilling the מצוה of the third meal.
Generally, the oriental Sephardim follow this custom.
Thank you for the note. פ"ק 757 -
