Dr. Yaakov Tendler
4 Smolley Drive
Monsey, NY 10952

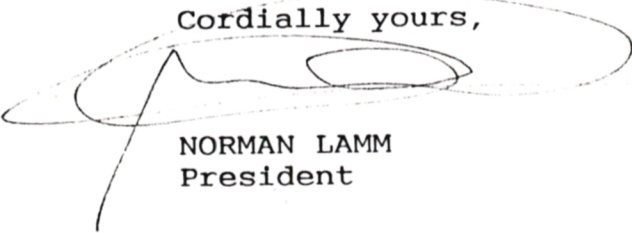

Dear Yaakov:

I was intrigued by what you told me when we met recently, namely, that the Satmar and other Hasidic rabbis in your area have written a *teshuvah* to the effect that a crucifix does not constitute *avodah zarah*.

Can you make a copy available to me? I will be most grateful to you were you to do so.

All best wishes.

Cordially yours,

NORMAN LAMM
President
