I am sorry that I did not write to you before, but I just cannot describe the amount of work I found when I returned to my office. It seems to me that it will take me another year before I can catch up with it all.

Now, I want to take this opportunity of sending you and Mrs. Lamm and all your family our best wishes for a very happy Passover. Your kindness to me during my stay in New York is one of my brightest memories which I have in connection with the three months that I spent in your hospitable City.

I would like to hear from you as to how things are developing, not only in general, but, also in your private domain. The Community here is still restive after the events which took place last year, and in my opinion, it will take some time before things will assume their natural course. Jews' College will have to find a new Principal, if we are to be able to give direction to the Anglo-Jewish Community.

With all best wishes to you and Mrs. Lamm and all your family in which all my family joins.

*Norman Lamm*  
Yours sincerely,

*Norman Lamm*
