Dear Rabbi Katz:

Many many thanks for your kindness in sending me a copy of the "Shaurei Daat" which I found most edifying.

I particularly was interested in the section you pointed out, Pages 197 to 199.

Please convey my kindest respects to Rabbi Gifter, whom I hope to see when he comes to New York in the near future, please G-d.

With kindest regards,

Respectfully yours,

RABBI NORMAN LAMM
