Dear Mr. Jesselson:

I thank you very much for the warm response to my telephone call concerning assistance for the Russian Jewish immigrants in Israel.

Since the people in Israel who are doing the work are still in the process of organizing, and are meanwhile doing it on a personal basis, I suggest that your check of IL5,000 be made out to Rabbi Itzhak Kalman, Rechov Mishmar Haam 10, Jerusalem, Israel.

I am also grateful mindfully of the fact that you encouraged me to come back to you in several months for additional assistance if it should be necessary.

My warmest regards to Erika.

Cordially,

RABBI NORMAN LAMM
