Dear Norman:

On my way from California to Russia and Romania I tried unsuccessfully to call you at home. I want you to know how pleased and proud I am with your election as President of our alma mater. It is good to know that the destiny of our Yeshiva is in the hands of a friend and contemporary whose qualities I have admired ever since our college days.

Congratulations and best wishes to you and Mindy. With warmest regards, I remain

Sincerely yours,

  
Arthur Schneier
