My Dear Friends:

Permit me, on the occasion of the tenth anniversary of the Fifth Avenue Synagogue, to express to you my personal and fraternal greetings on this milestone in your communal life.

The Fifth Avenue Synagogue has, in the decade of its existence, made a distinct contribution to Orthodox Jewry in New York. Its pulpit graced by two of the most distinguished spiritual leaders of our time, and supported by dedicated and energetic lay leaders, Fifth Avenue Synagogue has accomplished very much towards the enhancement and prestige of Torah Judaism in our city.

At the occasion of your forthcoming celebrations, please do extend my neighborly greetings to all members and friends of the Synagogue, along with my best wishes for many, many years of continued service for the great causes that unite us.

Sincerely yours,

RABBI NORMAN LAMM
