Dear Dr. Lamm,

Once again on behalf of my husband,
all members of AFTA, and those who heard
you speak at our Banquet on June 5th —
thank you for a most inspiring evening.
So many people are still remarking favorably
about that wonderful night.

My reason for writing to you now is to
tell you of a project I have started on
behalf of our Chicago Mikva. We have a
marvelous group of young devoted women
called "Daughters of Israel". Too few
of our Orthodox Women in Chicago contribute
anything extra towards maintenance or
educational purposes, and too long has this
topic been secretive.

Therefore my project is to ask about 100 women
to donate \$50.00 each - to be called "Angels" -
and with part of the funds to purchase books
on the subject of Talmudic Homeopathy and the
Jewish Woman and distribute them Free to
various libraries in our Chicago area -
Yarnell, Killel, Synagogues, etc.

First on our list is "Hedge of Roses," of course

This project will culminate on June 8, '69
at our annual installation luncheon with an
anticipated attendance of 300 women. ^{I am the} _{chairman}

My request is this - Can you recommend
a dynamic speaker for our June 8th luncheon at
the Sherman House?

I dare not be presumptuous and ask you,
although we would be honored beyond description.
I also do not have the persistence or persuasiveness of
Public Chairwoman Spring or my husband - - -

I would so greatly appreciate hearing from you - there
still is a great deal of time until June 8 - but with
5 small children and a tremendous project before me
I must start early. Best regards from my husband
Hope you are enjoying a lovely summer. Sincerely, Anne Wiener (Mrs. Cecelia Wiener)
