Dear Rabbi Lamm:

Many thanks for your letter in answer to my queries. I might say that this is the first time that I have received answers to these questions that were to the point, non-evasive and satisfactory.

If you could tell me where I could apply for a subscription to "Tradition," and in which issue the article you recommended appeared, I would appreciate it very much.

I share your willingness to meet together sometime when I am in New York.

With kindest regards and best wishes for a happy Passover, I remain

Sincerely yours,

Herbert A. Friedman
