Mr. Isidore Strick
The Sterling
67th Street
Miami Beach, Florida

Dear Is:

Please forgive me for not answering your letter any sooner. This has been an exceedingly busy winter for me. Amongst other things, I was in Geneva for a while, then in Israel for ten days, then in the hospital for a while (nothing serious), etc.

You know already that unfortunately I was unable to see Aaron in Israel, but Mindy and I did speak to him and Gerry.

The Gluck's visited us last night and they praised you very much. He told us that you havenot yet returned from Miami and that is why I am writing to you there. We were told it was quite a cold winter, but I hope the rest of your stay will be pleasant enough.

Do give our warm regards to Helen and to Joe, and when you return, if you have a chance, just call to say hello.

Cordially,

RABBI NORMAN LAMM
