## SPECIAL NOTE:

Let me take this opportunity to express my congratulations and commendation to you and your organization on the success of the Exodus March. Hopefully, the success of the Exodus March will serve as an inspiration to concerned organized Jewry in New York, to redouble their efforts on behalf of our people in the Soviet Union. With the continued help of important organizations such as yours, the New York Conference on Soviet Jewry can become an effective instrument in the struggle for Soviet Jewry, and carry out many meaningful projects.
