Dear Rabbi Lamm:

May I offer my congratulations to you upon your recent appointment as President of the Yeshiva University.

I am delighted to learn that an outstanding scholar, scientist and humanitarian, such as yourself, was chosen to head the great University from which I received my entire education.

As Vice-President of the Association of Orthodox Jewish Scientists, I am also delighted to learn that a member of our organization, namely yourself, was chosen for the prestigious post of President of Yeshiva University.

May G'd grant you strength to carry out the enormous task that has been placed upon your shoulders.

I wish you a Happy & Healthy New Year.

Sincerely yours,
