21st June, 1973.

Rabbi Norman Lamm,  
The Jewish Center,  
131 West 86th Street,  
NEW YORK. N.Y. 10024. U.S.A.

Dear Rabbi Lamm,

Thank you very much for your letter of 11th June. Naturally, you can use my cable address which is "Bachrac Melbourne" and for telex the Leibler family have made their Astronaut Travel Service No. 31838 Melbourne available to you.

My wife and I wonder whether it would be best for you to proceed from the airport to a motel or straight to our place. Considering the time factor and the early beginning of Shabbath our suggestion would be that you come to our place, where we are sure you will be comfortable.

I accept your wish to leave the subject blank for as many appearances as possible and have told the people responsible that questions directed to you might be a most stimulating experience for members.

The ladies of the community naturally would like to show Mrs. Lamm some of the local attractions and we wonder whether, on visits to schools, Mrs. Lamm would like to accompany you or whether we should try to make other arrangements for Mrs. Lamm.

If there are mixed audiences, we assume that Mrs. Lamm would like to join in a number of the functions which you are attending.

For the 300 boys and girls of about 16 years of age the Head Master of Mt. Scopus has reserved the time from 9 - 10.30 a.m. and for the 300 17-year olds the time from 10.45 - 12 Noon on Thursday, 19th July. If you feel inclined to be earlier at the school and join those volunteers who come for early Tephila, then they would be very happy for you to join them for breakfast prior to the sessions outlined above.

Please be good enough and advise when you will be leaving America and what your last stop and contact point will be prior to arriving here.

Kind regards,

Sincerely yours,

H.A. BACHRACH.
