Springfield, Mass.

Dear Izzy:

Just a quick note to let you know that I have not at all forgotten about your request concerning Senator Javits.

I have been working at it quite diligently, and may have some results to report to you shortly. I hope they will be positive, although, as you can well understand I cannot promise that.

My best wishes to Helen, Joe, the Kurns and all of our friends as well as to you for a "Gemar Tov."

Mindy, of course, sends her best.

Sincerely yours,

RABBI NORMAN LAMM
