Dear Rabbi Dr. Lamm,

I am sure you will be glad to hear that we have just published a third printing of your "Hedge of Roses" in Russian. Your book is an exceptionally effective and powerful tool in the Jewish education of our Russian brethren in Israel, the former Soviet Union and in America .

This recent, 3rd printing, was sponsored in memory of the late Rabbi Yechezkel Unsdorfer, whom I think you knew, by Mr. Shlomo Ben-Zvi, a grandson of Rabbi Unsdorfer's who now lives in Efrat. The family asked me to send you a copy and I am glad now to do so.

Yours sincerely,

Alan Goldblatt
Director of Development
