Dear Mother:

If any clothing for a five year old boy or two-to-three year old girl come your way, I would like to recommend that you give them to their mother, Mrs. Evelyn Fillippe, TR 7-5160.

She is the wife of a Haitian about whom I talked to you, and who is so anxious to give her children a Jewish education.

Yes, yes, I will have some money for your people before Passover, *nl/c*.

Yours,

RABBI NORMAN LAMM
