Rabbi Dr. Immanuel Jakobovits
5th Avenue Synagogue
5 East 62nd Street
New York 21, New York

Dear Rabbi Jakobovits:

As a kind of welcome note upon your arrival,
let me assure you that your presence overseas
has not gone unnoticed in America.

In addition to the enclosed two clippings,
there was recently an article in the National
Jewish Post quoting our friend [REDACTED] of the
American Jewish Congress who spoke quite
disparagingly of certain two Orthodox Rabbis...

I am looking forward anxiously to greeting you
and your wife upon your return.

Sincerely,

RABBI NORMAN LAMM
