Dear Dr. Lamm: נבנ"ט

After reading your article in the 1974 Encyclopedia Judaica Yearbook on "Judaism and the Modern Attitude to Homosexuality", I feel that you could possibly help me in recommending some behavioral therapists or any other professionals in the New York area.

I know of a 21 year old orthodox boy who is seeking help, and would like to see him get the right counselling.

I would greatly appreciate your giving this your prompt attention, and hope to hear from you at your earliest convenience.

Anonymity is requested by the young man.

Sincerely yours,
