

MEMO TO: MR. KAUFMAN

DECEMBER 8, 1958

FROM: RABBI LAMM

Mr. Kaufman:

We need many more games for our Saturday groups. Is it possible for you to purchase a number of them for different age levels between 5 and 13? (Most are marked with proper age levels). Please make sure they involve no writing or letter building etc. Also, please have them stored in the 9th floor book-room.
