Dear Rabbi Lamm:

Your letter sent to me at Yeshiva University was somewhat delayed. Of course I remember you very well as a most diligent and outstanding pupil. I am therefore happy to congratulate you for your position at the West Side Jewish Center. May you enjoy a long and blessed life in your rabbinical career.

I would be too glad to participate in the party at your installation but unfortunately I am compelled to take part, on the same evening, in an affair where I am a member of the Board of Trustees. Should it be possible for me to make it before it is too late, I will gladly try to attend and congratulate you personally.

With kindest regards, I am

Very sincerely yours,

Bruno Kisch, M.D.
